McELROY BRINGING DEFENCE SECRETS

Comedian Lifts Pinkie to Try Victoria Tea

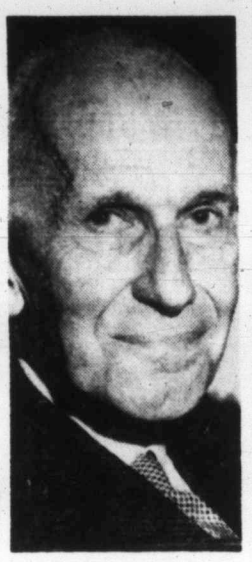

With "pinkie" elegantly extended, comedian Bob Hope enjoyed a cup of tea in a Victoria restaurant yesterday afternoon during a sightseeing tour of the city. Hope, with his wife Dolores, was on his way to Qualicum Beach for a three-day holiday. Restaurant man Paul Arsens was amused at his famous customer. See story on Page 11.—(Colonist photo.)

TV Fans Park To Peek

DUNDAS, Ont. (UPI) — Four residents of Ogilvie Street complained Monday that parking meters 30 inches from their houses resulted in motorists parking to watch television through living room windows.

Mrs. Ed Sund told police motorists were using the meters to park and watch a TV show for "sometimes a full hour." James Heffernan said one man parked in front of the meter Saturday and watched most of the baseball game.

The residents were demanding that the meters be removed immediately.

GOVERNOR-GENERAL MASSEY

Farewell Tour Off

Ailing Massey Getting Better

PORT HOPE, Ont. (UPI)—Doctors said last night that Governor-General Vincent Massey may be allowed out of bed for "an hour or so" this afternoon, and that he was recovering rapidly from an illness which forced cancellation of a tour of northwestern Canada.

Mr. Massey was reported in good condition last night, following the announcement earlier that the tour was called off on doctor's orders.

The 72-year-old retiring governor-general has been suffering from a kidney infection which has confined him to bed at his Batterwood summer home for the past five days. His temperature dropped to normal for the first time yesterday.

The vice-regal physician, Dr. Peter Burton of Ottawa, has returned to the capital, after twice being summoned to his bedside.

Lionel Massey, the governor-general's son and personal secretary, said no medical bulletins would be issued unless his father took an unexpected turn for the worse. He said Mr. Massey was not in pain and he was able to do some official work in bed.

The governor-general was expected to leave for the 5,000-mile "farewell" tour tomorrow. The tour was to have begun at Vancouver next Sunday.

Ottawa Talks to Deal With Broad Aspects

OTTAWA (CP)—Secrets of North American defence in its broad aspects will be discussed here today by Defence Minister Pearkes and United States Defence Secretary Neil McElroy.

* * *

Mr. McElroy, who will hold a brief press conference soon after his arrival, will be accompanied by assistant secretary Thomas S. Gates who recently succeeded the late Donald Quarles.

KEY OFFICIAL

Canadian officials are anxious to get acquainted with Mr. Gates because he's the man chiefly responsible in the U. S. defence department for defence production-sharing arrangements with Canada.

Mr. Pearkes Monday discounted Washington reports that he would discuss with Mr. McElroy relocation of American Bomarc anti-aircraft missile bases in Canada.

NOT CONTEMPLATED

He told reporters that he has received no information that the U. S. is considering such a change or that Mr. McElroy wants to discuss it. In any event, relocation of Bomarc sites would mean a major reorganization of North American defence plans and relocation of the entire Pine-tree radar control system in southern Canada.

WITHIN U.S.

Mr. McElroy said in Washington last week he would discuss with Mr. Pearkes development of Bomarc bases. But he was referring to deployment within the U.S. occasioned by Congress' reduction in Bomarc expenditures.

In a reaffirmation of a long-standing Canadian policy, Mr. Pearkes said Canada would not have any American defence installations in Canada of purely U.S. concern.

500 Killed By Floods

TAIPEI, Formosa (UPI) — The waters of the worst floods in Formosa's recorded history receded yesterday, leaving at least 500 dead, 563 injured, and 541 missing.

An estimated 135,000 persons were left homeless by the raging waters brought on by torrential rains associated with typhoon Ellen.

Klan Invades South America

STOCKHOLM (AP)—The Ku Klux Klan is shipping anti-Semitic material from the U.S. to Brazil, Argentina and Chile, a spokesman for the World Jewish Congress said Monday.

But he claimed the KKK's role in distributing anti-Jewish literature around the world is a minor one.

Violent Storm Hits U.K.

PLYMOUTH, England (AP) —A violent two-hour thunderstorm, described as the most spectacular in living memory, flooded much of Devon and Cornwall in southwest England Monday.

Water was three feet deep in the main street of Par, Cornwall.

At Newquay, 2½ inches of rain fell in half an hour.

Shoelace Kills Boy

PABOS MILLS, Que. (CP) —Arthur Grenier, 14, was found dead Monday in a ditch eight miles from his home. One of his shoelaces was tied around his neck.

Provincial police said "it looks like murder."

Police said the boy left his home Saturday night and failed to return.

IWA Seeks Aid

Feed Strikers Stores Asked

An IWA spokesman said here yesterday a union welfare committee is canvassing Victoria merchants for donations of "basic foodstuffs" for strikers and their families.

Jack McKenzie, business agent for IWA Local 1-118, said there has been no acute hardship among the families of some 1,500 Greater Victoria IWA strikers so far.

Canvassing of wholesalers and retailers began at the weekend.

He said response to the union's plea to help struck woodworkers has been "fairly good so far."

Some merchants had already volunteered donations to the IWA welfare committee before the canvass got underway, Mr. McKenzie said.

One of the first gifts to the committee consisted of 250 salmon donated by the United Fishermen and Allied Workers' Union.

He denied a report that the union has asked merchants for cash donations, but added that any offers of financial assistance would be gratefully accepted.

Food gathered by the committee so far includes potatoes and sugar.

"What we are after are the necessities," the union leader said.

Asked if strikers would lose appliances and automobiles whose purchase had been financed over an extended period, he said, "the companies have been extremely co-operative."

He singled out the B.C. Electric as another which had been "co-operative" over the matter of past-due bills.

The big utility company has not pressed strikers for overdue accounts, he added.

Articles donated to the strike welfare committee here will be distributed among local families "on the basis of need."

The IWA strike of some 27,000 coast woodworkers is in its sixth week. Most of the strikers got their last pay cheque July 2.

Target

A gunman who tried to assassinate Cuban army commander Raul Castro at a church wedding in Havana was seized before he could pull the trigger. Attempted assassination of Premier Fidel Castro's 28-year-old brother climaxed a weekend of violence. (See story on Page 3.)

Outstays Welcome

Playful Squirrel Rips Home to Bits

TORONTO (CP)—Mr. and Mrs. George Cruickshank aren't smiling any more at the playful squirrels that cavort about their street.

While they were vacationing last week one fell through the chimney of their home, chewed window frames and rugs, toppled potted plants and other objects, munched potatoes and generally created havoc.

When their son Barry returned home Saturday, the black squirrel bit him on the hand as he ushered it out. He was given an anti-tetanus shot as a precautionary measure.

Police sighted the squirrel in a backyard tree and shot it. The animal is being tested for possible rabies.

$100,000,000

Research Program Scrapped

WASHINGTON (AP) — The United States air force Monday cancelled a $100,000,000 program for the development of chemical fuel for use in bombers and fighter-interceptors of the classes whose speeds exceeds 2,000 miles an hour.

The cancellation immediately raised speculation over the future of the multi-billion-dollar program for the B-70 chemical fuelled bomber known as the Valkyrie and the F-108 fighter interceptor designated the Rapier.

The cancellation will knock out operation of a new $45,000,000 chemical plant built by the Olin Mathieson Corporation at Model City, N.Y., near Buffalo.

The air force officially notified Congress that the prime contract with the General Electric Company for the J93-5 engine had been cancelled. The engine was to be used in both the B-70 and F-108.

Alexandra Ends Visit To Victoria Today

Princess Alexandra will leave Patricia Bay Airport at 10.35 a.m. today for Vancouver on the first hop of a long air journey to Australia.

She leaves Government House at 9.45 a.m., arriving at the airport at 10.30.

Yesterday the princess ended an informal visit to Victoria area by shopping at a supermarket and going for a drive along the Malahat.

Drama Comes To Life

VANCOUVER (CP)—Movie patrons favored a rollicking real-life adventure in the seats and aisles around them over a fast-moving western here as police moved into an east-end theatre to arrest two men, suspected of possessing narcotics.

Police chased the suspects through the aisles and over seats of the balcony.

The chase started when seven RCMP and city drug squad officers made a routine check during the screening of a midnight movie early Monday.

When they attempted to interview a woman and two men in the balcony lobby, the men fled into the theatre.

In Doukhobor Area

Arsonists Light 14 Forest Fires

TRAIL (CP)—Fourteen forest fires that broke out in the Castlegar-Slocan-Taghum area of southern interior B.C. Sunday were set by arsonists, the RCMP said yesterday.

Eight of the fires occurred in what generally is regarded as Sons of Freedom Doukhobor territory, five of them within two hours.

RCMP said there are some clues to the identity of the arsonists but they are insufficient to warrant arrests.

Forestry department crews, working under favorable weather conditions, were reported slowly bringing the fires under control.

Cpl. Ron Davidson of the RCMP detachment at Crescent Valley said each of the fires started after an explosion.

He said there is evidence to show that bottles filled with gasoline or some other volatile substance were exploded in the bush by electric or fuse detonator controlled by a timing device.

Peronists Protest 'Brutality'

BUENOS AIRES, Argentina (AP)—A nation-wide protest strike of 62 unions dominated by supporters of Juan Peron started Monday against alleged police brutality in quelling a riot by striking sugar workers last week.

LET'S TALK

By Rudolf Flesch

Credit cards, very popular these days, were invented by Edward Bellamy way back in 1887.

You can find the evidence in any public library. Ask for a copy of the famous prophetic bestseller "Looking Backward 2000—1887" and the librarian will hand you a shabby, dusty, somewhat tattered little volume that hasn't been taken from the shelf for years. Open it and you'll find this:

"A credit is given to every citizen at the beginning of each year and a credit card issued him with which he procures whatever he desires whenever he desires it. The nation is rich, and does not wish the people to deprive themselves of any good thing. An American credit card is just as good in Europe as American gold used to be."

Of course there's a difference between the credit cards Edward Bellamy had in mind and modern Diners' Club cards. Bellamy was a socialist, describing life in a socialist Utopia, 2000 A. D. His credit cards were to be issued by the federal government, which also would run all the businesses and stores. Cash would therefore be unnecessary. Everybody would live on credit as a government employee.

It Has Come True

Practically speaking, though, Bellamy's prophecy has come true. (Incidentally, he also predicted radio and a lot of other gadgets we have today.) In Bellamy's Utopia people go around without having to pay cash for anything, and we actually have reached that blessed state of affairs right now. If I wanted to, I could start tomorrow morning and go through the week with nothing but my checkbook, my charge plates and my credit cards, and so could you. As far as that's concerned, Bellamy's Utopia is here.

Don't tell me that it isn't the same thing at all. Psychologically, it's the same thing. After all, the point of a credit card is that it gives you instant financial standing. To the extent of your salary or expense account, you're accepted as someone whose name alone is security.

Bellamy thought this could only be accomplished by government planning and the overthrow of capitalism. Well, it ain't necessarily so, it turns out. We still have 41 years to go until 2,000 A.D. and here we are with our wallets stuffed with credit cards and everybody feeling like a millionaire.

At least, until next month comes around and we get the bills.

Zwieback's Transition

A sudden growing up; a telescoping of time; a phenomenon of the fourth dimension in which a child is asking for Zwieback one day and the keys to the car the next. Seemingly occurs overnight. By all odds the saddest and cruelest of all childhood's catalytic afflictions.

Speed's the Key To Asian Issues

GENEVA PARK, Lake Couchiching, Ont (CP)—Speed is the key word in Asia—speed in turning hungry people into adequately-fed people; speed in the economic transformation which must accompany this accomplishment.

This theme emerges from discussions at the current conference of the Canadian Institute on Public Affairs, whose subject is "Changing Asia."

Accompanying the emphasis on speed is the question: "Can the transformation be accomplished under a democratic system, or must there be a dictatorship?"

Speakers seem to indicate that they would prefer a parliamentary system but they seem to doubt such a system can work fast enough in most Asian countries.

In everybody's mind are the examples of India seeking the goal under democratic procedures and China with rigid regimentation.

The Courtroom Parade

Early-Hours Robbery Admitted in Court

Wayne Doersam, 1203 Blanshard, pleaded guilty in city police court yesterday to theft of a wallet containing $9, in the early hours of Monday at a downtown hotel.

He was remanded by Magistrate William Ostler to Friday, in order to bring up to date a probation report prepared last October.

Court was told Doersam had been at a drinking party in the hotel when the wallet was taken. He was arrested shortly afterward at his own quarters.

In a brief session of Saanich police court yesterday, James Szevics, 2306 Belmont, pleaded guilty to a charge of criminally negligent driving. He was remanded to Thursday for a probation report, sentence and disposition of his driver's licence.

Police said Szevics was stopped at about 2.50 p.m. Saturday after being observed driving erratically on the Patricia Bay Highway. There, for a mile and a half, he was seen to drive across the centre line, forcing oncoming traffic onto the gravel, and then back again, at speeds of around 55 miles per hour.

Safecrackers Grab $4,000 At Festival

VANCOUVER (CP)—Safecrackers escaped early Monday with $4,000 in Vancouver Film Festival receipts, locked in a theatre safe.

Police said the loss could be as high as $8,000 after a complete check of records.

The theatre was covered by theft insurance.

'Supertanker Port' to Bustle With Pair of Ocean Giants

For first time in its history as a "supertanker port" Esquimalt today will have two of the ocean giants berthed.

One of the largest supertankers in the world, already at Yarrows drydock for an annual overhaul and repaint, will be joined by a second huge tanker this afternoon.

The 85,000-ton Universe Challenger, owned by Universe Tank Ships of New York, steamed into Esquimalt harbor Sunday.

Between 2 and 3 p.m. today she is scheduled to be joined in the harbor by the supertanker Orion Star.

The Universe Challenger, 854 feet nine inches long, is believed to be the second largest tanker in the world.

Its overhaul and repaint will employ about 150 men for five days, a Yarrows official said yesterday.

An equal number of men will perform a similar task on the Orion Star.

The Star will tie up alongside the government wharf opposite Yarrows where crews will commence work while the Challenger is being completed in drydock. The two ships are scheduled to change positions Thursday.

They are the second and third big vessels to undergo annual maintenance and repaint projects at Yarrows this year.

A company official said the work is the result of an intensive effort to obtain such jobs for the local drydock.

Safety Experts Wonder

VANCOUVER (CP)—Newly-posted 60-mile-an-hour speed zones on many B.C. highways where the speed limit generally is 50 miles an hour were criticized Monday by highway safety organization spokesmen.

Andre Boucher, traffic safety chairman of the B.C. Safety Council, said many of the zones had been "arbitrarily posted."

Highways Minister Gaglardi termed the claim "stupid" and "incorrect" and said he doubted if a responsible person such as Mr. Boucher would make it.

Stan Wicks, secretary-manager of the B.C. Automobile Association, said his association was concerned about the recent increase in highway deaths and called for an inquiry into the causes.

Controversy follows an investigation by RCMP into the effects of speed zones on an 82 per cent increase in B.C. highway fatalities in July, and a 50 per cent increase in June.

The report was not released, but George Lindsay, Motor Vehicle Branch superintendent, said: "The confidential report gives evidence of death in the zones."

Mr. Gaglardi said: "The zones are completely safe and have not changed the death rate one particle. The police reports will confirm this."

Racists Stop Buying In Integration 'War'

LITTLE ROCK, Ark. (AP) —Main street in Little Rock was hit Monday by an economic war over school integration.

A boycott was declared by the Capital Citizens' Council, pledged to fight racial mixing in public schools at all costs.

Its spokesman and lawyer, Amis Guthridge, accused downtown merchants of backing a school board decision to reopen local public high schools Wednesday to token integration.

Guthridge, in a hastily called press conference on a parking lot, claimed merchants have formed a coalition with Negroes.

"Little Rock is being run politically by Main Street merchants and the Negroes," he said, adding that it was time the Negroes shared in the suffering."

What effect, if any, the boycott will have remains to be seen. Business seemed to be going on as usual this afternoon. Shoppers were coming and going with no outward appearance that they were aware of the segregationists' economic war.

'Social Callers' Fail to Find Diefenbaker

SASKATOON (CP) — Four men pleaded guilty and paid $10 fines Monday for trespassing on railway property, after being arrested Sunday attempting to pay a "social call" on Prime Minister Diefenbaker.

Police said one of the four entered the prime minister's private railway car, parked on a siding here, while the others waited on the platform. They could give no explanation in court for their actions.

Loss of Arms Spurred Castro

HAVANA (AP) — Military camps in and around Havana, reputed to hold many civilians and army men bagged in a government roundup, were sealed Monday.

The newspaper Revolucion says more than 1,000 persons have been detained.

The roundup apparently was set off by the disappearance of arms from a big military base in Havana. Rumors of invasions all have proven false.

Treason Trial Begins

PRETORIA (Reuters) — Thirty defendants in South Africa's treason trial Monday were alleged to be associated with a movement "inspired by Communist fanaticism, Bantu nationalism and racial hatred in various degrees."

The prosecution made the charge in a three-hour opening address.

The accused, including two whites, have pleaded not guilty to charges of trying to overthrow the state by violence.

CONSPIRACY CITED

"Over the period of the indictment and for some time before, there existed a country-wide conspiracy between the accused co-conspirators and persons unknown," the statement said, "to overthrow the state by violence and substitute for it another form of state."

It said the conspiracy originated in the so-called liberatory movement, a Communist-inspired movement pledged to overthrow by violence all governments in non-Communist countries where sections of the population did not have equal political and economic rights.

Liberal First Winner

ST. JOHN'S, Nfld. (CP)— Liberals won the first seat in the 1959 Newfoundland election Monday—by acclamation.

Capt. Uriah Strickland, a supporter of Premier Smallwood, was elected in Trinity South. Conservatives, labor-backed Democrats and the United Newfoundland Party did not contest the east coast riding.

A record number of candidates were nominated.

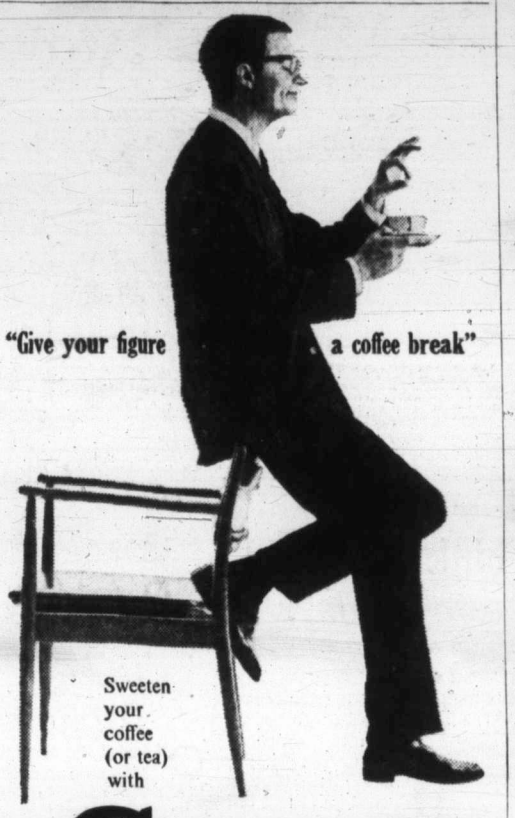

Unofficial figures placed the total at 92, made of 33 Liberals, 32 Conservatives, 18 Democrats, seven members of the UNP and two independents.

In a side development, Premier Smallwood suspended two government employees for apparently taking part in the campaign of a Liberal nominee.

Progress on the Columbia

MUCH more will have to be known about reported recommendations of the International Joint Commission for development of Columbia River water power potential before anyone can judge whether or not whatever proposed sharing arrangement is advanced is fair to all concerned. The disclosures yesterday were unofficial and somewhat conflicting, though apparently founded on good authority. They were far from complete, and until the details are published—which may not be for some time—British Columbia's position in the suggested sharing of benefits is a matter for conjecture.

All that has been reported from Ottawa so far is that the International Joint Commission has come closer to an agreement as to a division of rewards from exploitation of the Columbia; and that the basis of that agreement would be an equal sharing of "downstream benefits," that is, new power produced south of the border from water impounded by dams on the Canadian side. The commission, however, serves in this matter only in an advisory capacity and cannot say what shall be done but only what in its opinion should be done.

As the old adage has it, there is many a slip 'twixt the cup and the lip. Bearing in mind the fact that plans for the development of this international river cross opposing lines of interest, one may expect that action by the United States Congress on recommendations of the commission when officially made will be neither quick nor easy. The history of negotiations prior to the start of the St. Lawrence Seaway project offers scant encouragement for that.

What is really encouraging, however, is the indication that the commission itself is approaching an agreement in which all members appear to concur. Influenced though it has been by the prodding of the Canadian and U.S. governments, that in itself will be an achievement of the utmost importance. Moreover, as Canada's senior representative on the commission Gen. McNaughton has been uncompromising and adamant in pressing the Dominion's claims; so it seems safe to assume that if he is satisfied with a formula for a sharing of benefits, Canada—to employ an irresistible pun—will not be sold down the river.

In any case agreement within the commission would be only a first step of several which must be taken before development of the Columbia can proceed; and in the next stage of negotiations British Columbia, as the province in whose territory interference with the natural flow of the river would take place, will have an important if not a dominating influence. It is then that the details will have to be examined with the utmost caution. In the meantime the provincial government is wise in adopting a noncommital attitude towards what may too readily be heralded by some as a Canadian victory.

'Let Us Be Friends'

PREMIER KHRUSHCHEV is said to be full of smiles these days, as a result of the exchange of visits which has been arranged between himself and President Eisenhower. The Soviet leader has long wanted to visit the U.S.A. and he has therefore every good reason to be pleased. For one thing, he probably sees his Washington visit as an opportunity to show himself off to advantage.

Unfortunately Mr. Khrushchev has the aptitude of a chameleon. He can smile one day and frown the next even when the object of his attention is the same. It is this bewildering change of face and opinion that so often keeps the West guessing, so that the latter never knows exactly what he means or how far he is prepared to go on any question. Yet he should be taken at face value on his trip to North America, at least until the opposite becomes inevitable.

"Let us be friends," says Mr. Khrushchev in his latest communication to the U.S. That is what the peoples of all nations would like to see, and it would seem that for his part President Eisenhower is preparing an atmosphere of courtesy and good will for the Soviet leader. The president is now envisaging a summit conference as an outcome of his talks with the Soviet premier, and that indicates the presidential hopes for the success of his conversational exchanges.

Certainly these talks should be fruitful. No formal agreement on any matters is contemplated but it is the creation of an atmosphere of frankness, knowledge — perhaps even a degree of trust—that is all important. Where good will lies the rest can follow. If Mr. Khrushchev and Mr. Eisenhower can reach due appreciation of the other and of the national policies each represents a great deal will have been accomplished.

At all events, while national leaders talk the tempo of disputes is apt to be lessened, and even if miracles cannot happen overnight the Eisenhower-Khrushchev meetings can hardly fail to be of value. The possibility always exists that they may usher in a new and less combative era in the world. It at least is worth hoping that this may be so.

Displacing Victoria

KATE SMITH was wont to sing about the moon coming over the mountain but if it did it did not illuminate the Victoria scene. So at least one must judge from the troubles of Mr. George Warren, who keeps the local flag flying in all our tourist literature. It is patently a continuous task.

The tourist bureau chief is beset with many problems, and not the least of them is the ignorance of others who should know better. Often enough it has been evident that Ottawa cannot see over the Rocky Mountains; it is equally apparent some agencies can't see over the Atlantic correctly.

The latest faux pas is that the BBC thinks Princess Alexandra is holidaying at Vancouver, the "capital" of B.C. Not long ago that august journal, The Times of London, which prides itself on knowledge of empire, arranged the same capital displacement. The other day Reuters news service had the princess staying in the mainland city. And so it goes on, to the continuing exasperation of Mr. Warren.

Confusion undoubtedly is caused by the name "Vancouver" being attached both to this island and to the erstwhile town of Granville, which unfortunately co-opted the name instead of thinking up a new one for itself. There might be some excuse for overseas agencies to make mistakes—although not much—but there can be none for Canadian sources claiming the Malahat to belong to Vancouver or for a Canadian fact publication also being unaware of Victoria's position and status. As for mistakes made across the line, these are legion.

None of this would matter much—it would in fact be a joke except that repetition makes even the best joke stale—if it did not betray a carelessness and ignorance which in 1959 borders on the incredible.

Interpreting the News

Tourist Deficit Undented

By LEROY POPE
United Press International

AMERICAN tourist travel to Canada seems certain to break all records this summer, but it probably won't make any appreciable dent in Canada's huge tourist dollar deficit with the United States.

For the second month in a row, the Canadian government and Quebec provincial tourist offices in New York were swamped with inquiries in July.

"We have over 12,200 inquiries in July," said Lance Connery, director of the Dominion tourist office in Canada House on Fifth Avenue. "That's an all-time record, breaking an all-time record set in June. By the end of the summer our staff here will really need vacations."

Connery said he understood the inquiries in the Chicago and San Francisco offices were also heavier than last year.

"Probably the most popula single tour for Americans from the east is to enter Canada at Niagara Falls and swing eastward through Toronto, Ottawa, Montreal and Quebec City, then home," he said.

However, every part of Canada, even British Columbia, is getting more tourist business from the Eastern United States.

But no matter how many records the flood of American tourists to Canada breaks this year, government officials don't hope to slash much off the tourist dollar deficit with the U.S., which hit $90,000,000 last year.

"With Canada prosperous again this summer, there isn't a chance of that," said Connery. "We Canadians are about the world's most enthusiastic travellers and the United States is our happy hunting ground. I don't think we need worry about the tourist deficit—we should just be thankful we can afford it."

Thinking Aloud

". . . of shoes—and ships—and sealing wax—of cabbages and kings."

By TOM TAYLOR

HE went to bed and slept the sleep of the good-for-nothing, which if virtue had its own reward would have been the sleep of the unjust but in fact was more sound than that of innocence.

So at least said Balzac, right or wrong. The proverb puts it more neatly when it asks: "In sleep, what difference is there between Solomon and a fool?"

A common ailment is slumber, and according to one philosopher quite an art. You must stay awake all day in order to invoke it.

And it is so all-persuasive that except for those individuals to whom nature's soft nurse (Shakespeare's term) makes small appeal, everyone spends about one-third of his life in bed.

Give that a moment's thought.

* * *

Four months out of every 12 devoted to nothing more elevated than snoring! Twenty out of 60 years, if one lives that long, spent in the Land of Nod!

Waking, the Biblical span is thus only 40 years.

What a waste that seems, and yet it is pursued by man with a zest he seldom brings to any other matter. Rip Van Winkle was a true creation.

To sleep or not to sleep, therefore, is not a question.

Even a city sleeps. Have you ever walked the streets of Victoria, keeping an eye open for the policeman of course lest he asks what you are up to. The very air seems loaded with slumber. The jaywalker becomes a sleepwalker.

* * *

What a different story there might be if we were wide-awake all the time. If we have accomplished so much, or so little, in 16 hours a day; what could we not have done, or left undone, in say 20 hours a day?

That would cut down our recharging time—nature's sweet restorer, as another poet described it—but some people thrive mightily on just a few hours sleep per night.

Thomas Edison, they say, was as fresh as a daisy every morn, and he averaged only four hours slumber per 24 hours. Probably his relentless drive of ideas prevented sleep.

Neither did Churchill in his heyday spend one-third of his years between the blankets, but he had afternoon catnaps so perhaps he was cheating.

* * *

He even wrote a book, you remember, called "While England Slept"; being very wideawake himself during the national slumber. And just as well, too, for the Rip Van Winkles.

Yes, 'tis a wonderful thing, sleep, no matter the white hair that sprinkles the head during the years one spends in a dreamy trance.

There is one discomfiting thought. As the aforementioned proverb indicated sleep reduces all persons to a common denominator, which isn't a pleasant idea. Vanity alone rebels and compels one to hope otherwise.

Returning as it were to first principles, however, it remains a startling fact that for one-third of one's life one can find nothing better to do than lie down and go to sleep.

It is no wonder that in afterlife we bemoan the paucity of our accomplishments.

Peter Stursberg

Reports From Ottawa

(During Mr. Waring's temporary absence from Ottawa, his column is being written by Peter Stursberg, well-known Canadian journalist and broadcaster.)

By PETER STURSBERG

ON Sept. 1 the army will take over "national survival," a new term the army uses to denote certain aspects of civil defence. It is not taking over all of civil defence responsibility and its spokesmen are careful to emphasize that.

It would be a good thing for the nation if it did.

Civil defence is, if anything, in a worse muddle now than it has ever been. The advent of the military may prove beneficial in the long run, but its immediate effect is to compound the confusion.

As a result, there are now four separate and sometimes competing departments of government responsible for the hair-trigger operations needed to assure the safety and succor of citizens in the event of a nuclear attack. No one person is in charge.

No. 1 department is National Defence. Its annual military staff course this year was devoted to national survival, and the army has its formations ready for this work.

Then, the prime minister's office is directly involved, as the hush-hush Emergency Measures Organization comes under it. EMO, as it is called, has been drawing up the secret plans for the evacuation of the federal government in case of a holocaust, and its dispersal throughout the country.

The Justice Department, which controls the RCMP, is responsible for the maintenance of law and order during an atomic attack, an alarm, or even an exercise.

Finally, there is the Department of National Health and Welfare, which still has the old civil defence setup, with its training college at Arnprior, near Ottawa, and its 157,000 trained volunteer CD workers.

* * *

During the recent session of Parliament, when the government was pressed as to who was running civil defence, the old war horse, Defence Minister Pearkes, was trotted out. He is the head of the cabinet committee on this whole matter.

However, it was also said that Pearkes' role was one of co-ordination and not command.

Yet if there were ever an undertaking which required a supreme boss, a dictator, a man to give orders, it surely is civil defence.

For there is so little time—a couple of hours is all the warning that could be expected for a bomber attack, and much less for a missile. Are precious minutes to be wasted in co-ordination, in committee meetings, in determining who is going to do what?

* * *

Even in the best laid plans, there will be many important and urgent questions which will have to be answered at the last moment.

With the representatives of four different government departments and a co-ordinator arguing in the lengthening shadow of the hydrogen bomb, there are going to be no answers but chaos.

At least, the army seems to know its job, judging from the militia staff course which I attended. Its main responsibility is rescue. So-called mobile support columns will be dispatched to the scene of a nuclear explosion; they are of battalion strength and will enter the stricken area and rescue those who are trapped there.

In fact, the army has impressed so much that a movement is afoot to have it take over the whole of civil defence.

"I predict this will occur soon," a leading CD official said, "and I'll be glad to see it happen, as it will end this dangerous division of authority."

The Packsack

The Peaceful Pipe

By GREGORY CLARK

A PIPE-SMOKING friend of mine, as he knocked the ashes out of his pipe in the press club ashtray, pointed out the pile of cigaret butts that heaped the tray nearly full.

"The reason the cigaret industry is so prosperous," he said, "is because one-third of the cigaret is thrown away. There used to be a story about mustard. It was said that the great fortunes founded on the manufacture of mustard, fortunes which ultimately resulted in peerages of the realm for the shrewd pickle-packers of England, were so prosperous because half the mustard went down the drain. It is the same with cigarets. The consumer uses only two-thirds. The rest goes into the ash can."

He set his pipe to cool on the table. The rest of us went on lipping our cigarets, inhaling into our lungs, blowing the smoke out our noses, coughing, dusting the ashes off our neckties, thipping with our lips at the crumbs of tobacco that stuck to them, stubbing the butts out.

In about ten minutes, the piper picked up his pipe and from a frayed old pouch thumbed into it some moist, dark, fragrant tobacco that was the color of figs. Leaning back, he lit it slowly with a homely match. Through half-closed eyes he gazed kindly at us through the fog he had made. A pipe smoker can create a curious restlessness in cigaret smokers.

With the Classics

I was ever a fighter, so —
one fight more,
The best and the last!
I would hate that death bandaged
my eyes, and forbore,
And bade me creep past.
No! let me taste the whole
of it, fare like my peers
The heroes of old,
Bear the brunt, in a minute
pay glad life's arrears
O! pain, darkness and cold.
For sudden the worst turns
the best to the brave,
The black minute's at end,
And the elements' rage, the
fiend-voices that rave,
Shall dwindle, shall blend,
Shall change, shall become
First a peace out of pain,
Then a light, then thy breast,
O thou soul of my soul! I
shall clasp thee again,
And with God be the rest.

Washington Angle

Know-How for NATO Allies

By MARQUIS CHILDS

WITH virtually no debate in Congress and little discussion in the country, far-reaching agreements providing America's NATO allies with nuclear weapons know-how and equipment have been approved.

It would have taken a resolution by both houses of Congress to reject the agreements submitted by the president. Among a minority there was a deep-seated fear that the agreements would freeze a pattern of nuclear armament throughout the NATO alliance. This would make it impossible in the event of a serious new effort at disarmament to try to work out a nuclear free zone in Central Europe.

Only a few members in the House expressed their doubts. The Joint Committee on Atomic Energy held secret hearings and approved the agreements. At the request of Senator Hubert Humphrey of Minnesota the Senate Foreign Relations Committee also held a hearing behind closed doors. Despite Humphrey's urging, the testimony was not released even in censored form. And when he ventured to speak about the agreements Humphrey's approach was a cautious one.

* * *

To observers who have watched the constricting coils of secrecy close around areas of great public concern this seemed another sign that fear and distrust had prevailed over frank discussion of the consequences of providing European allies with know-how and equipment for using nuclear weapons. The next step, it was feared, would be to amend the basic Atomic Energy Act to give them the actual weapons. This cannot be done under present law.

With new members of the nuclear club whether their card of admission was a gift from the United States or by forging their own initial weapon as France is doing—the problem of testing becomes much greater, if not impossible. The nine months of effort to come to an agreement with the Russians at Geneva on the control of nuclear tests has also been shrouded in a secrecy blanket.

Powerful forces pricipally within the Atomic Energy Commission have sought to frustrate any agreement. The AEC is conducting a costly experiment in a Louisiana salt mine to prove that it will be possible to cheat on any agreement that covers underground as well as atmospheric testing. Eventually this experiment may provide for the moving of a volume of earth equivalent to five to seven football fields—a vast undertaking—to show that a 50-kiloton explosion could be smothered by a process known as de-coupling.

* * *

A kind of underground debate has gone on within the government itself over the merits and demerits of a comprehensive agreement as compared to one which would ban only atmospheric tests. Because it has far greater resources of money and influence, the AEC has tended to dominate this subterranean debate. Recently Chairman John McCone flew several senators to Geneva to impress them and the public with the AEC viewpoint. The move came as a surprise to the State Department, which is responsible for the position of the American delegation.

While the public is unaware of it, those in government favoring an overall agreement on testing have been arguing their case, too. This reporter has seen a confidential memorandum which states that the Soviets at Geneva have been forced to make "the vast majority of concessions both of minor and significent consequence in the efforts of both sides to reach common ground."

* * *

The memorandum points out that this was in part at least because the initial stand of the Soviet Union was "basically unrealistic and unreasonable." Yet it adds that the Soviet moves "could properly be viewed as an indication of their willingness to reach a reasonable accord on the matter of halting tests." The memorandum, based on the most thorough official knowledge of the talks at Geneva, also points out that "actually within the current negotiations they (the Soviets) have to date accepted every U.S. requirement concerning control with the single exception of considering new data on underground detection."

With the impending visit of Premier Khrushchev this analysis—the other and largely submerged side of the debate on testing—takes on special importance. When he sits down with President Eisenhower, Khrushchev will not be content to talk friendly generalities. He will want to bring up details of the Geneva discussions and it will be well for the President to be forewarned with not merely one but both sides of the argument.

Letters to the Editor

Justice for All

Many greatly exaggerated quotations have appeared in the press criticizing "Bill 43." As I understand, this act merely defines legal picketing, namely, at the place where a lawful strike is actually occurring; thus it outlaws the indiscriminate, illegal variety. It also makes unions legal entities, so that they can be sued for damages when their actions are contrary to the law. Isn't this the usually accepted idea of justice to all?

An example of the other variety occurred on the Saanich Peninsula about two years ago. A small contractor, who had undertaken a public school addition, was picketed by a union, from which he had employed no members and thus had no agreement. His employees declined to continue working, hence it is understood that the school children used crowded, improperly heated, unfinished facilities until December and the contractor went broke.

It is quite obvious that the public, including the school children, paid for this wrongdoing—but for whose benefit?

Change Island's Name

I recollect when Victoria was the largest city in the province of British Columbia; yet for decades Victoria has been called Sleepy Victoria, where they roll up the sidewalks at night, which of course is not true. Still, unfortunately, Victoria is trying hard to live up to that reputation, so well that many of our industries have deserted to Vancouver and Burnaby because we have neglected to keep abreast of the times.

Poor old Victoria: no wonder that Vancouver is known as the capital city far and wide; and as Vancouver will never change its name, therefore it is up to Victoria to change the name of Vancouver Island to one of the following: Victoria Island, Queen Elizabeth Island, Nanaimo or Saanich Island, even Scurrah or Warren Island would do. But a change must be made, so what are we waiting for?

Without Voice or Vote

Judging by reports, it would appear that the recent sales of fish conducted at the fishermen's wharf in Victoria by the United Fishermen and Allied Workers Union were somewhat misrepresented to the public.

While it is true that at least a portion of the funds collected are used to alleviate distress among striking workers and fishermen, what has not been pointed out is that salmon trollers, who would ordinarily provide the bulk of the salmon that the Victoria housewife would buy, never were on strike and did not have a vote in the matter at all.

As stated in the UFAWU bulletin No. 4, of 2,372 fishermen who voted, 1,611 voted to strike. There are, however over 12,000 fishermen in the industry. Therefore, Victoria housewives, when they cook that chunk of salmon bought so cheaply at a sale with the mistaken idea that they were helping the fishermen, should remember that they did nothing to help the 10,000 fishermen who had no vote in the recent strike.

Victoria's Prestige

The editorial on Victoria College in the Colonist deserves close attention by everyone interested in the future of Greater Victoria. The idea that the meek shall inherit the earth, or anything else of value, has not proved very satisfactory in the history of this district. With the federal government going out of its way to provide a real campus ground for a university worthy of the traditions and aspirations that the name Victoria suggests, why retire to the tents of the "sprawlers" and penny-wisers?

As for the comparison of the names "university" or "college," will Victoria ever get an even break with Vancouver, with a university in one and a college in the other? Boston, not long ago, changed the name of its famous institution Brandeis, from Brandeis College to Brandeis University. Is Victoria so famous, or hidebound, that it does not need the prestige of being a university city?

Strange Guerrilla Battles In North Laos Mountains

★ ★ ★

SAM NEUA, Laos (AP)—Casualties are slowly mounting in a strange war between Communist-led guerrillas and loyal troops in the mountains of northern Laos.

Brig.-Gen. Amkha Soukhavong, commander of the northern zone, said Monday his forces have killed 90 Red soldiers, captured nine and wounded an undetermined number in Sam Neua province, which adjoins Communist North Viet Nam.

Government forces of this Buddhist kingdom have lost about 50 men. About half are listed as missing, Amkha said.

The general said the guerrillas hold more than 20 villages within the province, and the situation is serious.

"But if the North Vietnamese do not build up reinforcements or send in regulars we can manage," he said.

The government seems to have the edge in manpower.

Everything appears calm in the town of Sam Neua itself, a centre of 25,000 population 35 miles from the North Viet Nam border.

Amkha said half of the Red forces are partisans—some indoctrinated for years by the Loatian Communist Pathet Lao and some who were conscripted for Red units—but all are equipped by North Viet Nam.

French Tests 'Safest Yet'

PARIS (Reuters) — The French government claimed Monday that the forthcoming tests of France's first atomic bombs in the Sahara will be on the safest ever carried out.

A government statement said extensive precautions have been taken to ensure that the radio-active fallout from the tests will be well below danger level.

AFRICAN PROTEST

France's plans for the tests have touched off loud protests from African leaders, who claim there is a danger of harmful radioactivity spreading to their countries.

No date has been set yet for the tests, but the office of Jacques Soustelle, the cabinet minister responsible for atomic weapons and for the Sahara region, Monday denied a newspaper report that President de Gaulle would watch the first blast during his visit to Algeria from Aug. 27 to 30.

Golden Hawk Crash Kills Three

Stunt Jet, Light Plane Collide Over Calgary

CALGARY (CP) — Three persons were killed Monday when a Sabre jet of the air force's Golden Hawk stunt team and a light U.S. civilian plane collided and crashed in a field a mile west of McCall Airport.

Pilot of the jet was identified as Flt.-Lt. P. J. Kerr, 25, of Welland, Ont. Names of the civilians were not available but the craft was the property of the Medical and Scientific Research Centre of Philadelphia.

The Sabre was the last of seven craft attempting to land after arrival from an air show at the Lakehead.

The jet made one attempt to land, then pulled up and began a second swing over the land field. The two planes collided just as the jet appeared set to make its final approach.

The jet fell straight to the ground while the Piper Cub went into a spin and hit about 200 yards away.

It was not known whether the Golden Hawks would continue with their demonstrations. Officials said it would depend upon the results of an inquiry beginning today.

Reinhard Rites Set Tomorrow

Funeral services for Walter Reinhard, 65, a well-known Victoria cafe proprietor, will be held at 3 p.m. Wednesday in McCall's Funeral Home.

Mr. Reinhard, who was born in Berne, Switzerland in 1893, died Monday in Royal Jubilee Hospital.

He came to Canada in 1919, settling in Calgary. He was a resident of Victoria since 1938 and was owner of the Melrose Cafe.

He is survived by his wife, Mary Anne, at the residence, 4950 Sumner Place, two daughters, Mrs. Clare Anderson and Mary Sylvia, and a son, Walter, all of Victoria.

26 Milking Days To Saanich Fair

There are only 26 milking days left before the start of the Saanich Fall Fair.

For the cattle to be exhibited, this will be the end of a fast shuffle that will last for three weeks and involve two other fairs and quite a bit of travel.

The harrassed herds board this merry-go-round beginning Monday, starting at the Nanaimo Agricultural Fair.

From there they will cross to Vancouver to compete in the Pacific National Exhibition against mainland cattle.

Exhibitors have special permission from the PNE to leave before the end of the fair to be back in time for the Saanich Fair.

Where does the milk go when the cows are away on exhibit? The herdsmen make arrangements with local dairies to buy the milk each day.

Soviet Show Closes Doors

NEW YORK (UPI) — The Soviet exhibition of science, technology and culture ended Monday after a 42-day stand at the New York Coliseum.

Coliseum officials estimated that about 1,500,000 visitors had attended the exposition.

"We are glad to say that this exhjbition was successful in helping the American people understand how Soviet people live, work and study and what their aspirations are," said Alexei N. Mnzhulo, director-general of the exhibition.

He said it had been a "heart-warming experience" to meet Americans at the exhibit and to "see how warm, sincere, frank and sympathetic" they are.

Kiwanis' Offer

Dowell Solves Dilemma

More Proposed

Ald. Arthur Dowell, in an embarrassing spot as both a Kiwanian and a member of city council lands committee, proposed yesterday that the city sell 18 lots to the Kiwanis Village Society for a price 25 per cent higher than offered.

"But if the rest of the council sees fit to give the property to them for what they offer, I'll go along with it," he said.

The city received an offer of $4,500 for the lots at Cook and Laing, needed for extension of Kiwanis Village. Mayor Percy Scurrah said the Kiwanians planned a boarding home and a workshop hall where the elderly residents could be busy for a few hours a day.

"I think we can afford to be generous," he said, "but how generous is the problem.

"I'd like to give it to them, really I would, but I don't think it would be fair to the other people we have sold property to for senior citizens' housing," said Ald. Dowell.

He proposed a price of $6,000 contingent on the society taking all the lots and leaving none city-owned and without access. Minimum price recommended by the lands commissioner was $7,500.

Garden Notes

Good Tree Is Hard to Find

By M. V. CHESNUT, FRHS

A garden without a tree is almost unthinkable but selecting a suitable tree for a small city lot isn't easy. The less space there is available, the more carefully should the tree be chosen and, with tree-planting time only two months away, it is not too early to collect some nursery catalogues and start making a study of the situation.

One particularly dainty tree for the small garden is the winter-flowering plum, Prunus subhirtella autumnalis, with fragile-looking twigs which produce masses of pinky-white blossoms at intervals from December until early April. This little fellow never surrenders to the winter's blast—a mild spell and out comes a crop of flowers. These wither and die in severe cold but are followed immediately by another flush of bloom as soon as the weather moderates.

★ ★ ★

Prunus Mahaleb, the St. Lucie Cherry, is probably the most fragrant of all the smaller trees, bearing a profusion of sweetly scented white blossoms. While not easy to come by, there is a variety of this tree—pendula—with a semi-weeping habit of growth.

A most graceful tree not too large for the medium-sized town garden is the Snowy Mespilus, Amelanchier Canadensis, sometimes called Shadbush or Serviceberry. This one grows to a height of around 25 feet and covers itself with attractive white blossoms before the tree leafs out. These are followed by purple apples which, while highly ornamental, are almost completely tasteless. The foliage turns a particularly cheerful shade of yellow in the fall.

★ ★ ★

The Judas tree, Cercis Siliquastrum, is a member of the pea family. While it is not too tall for even a tiny garden, it is inclined to "middle-age spread." Nevertheless, it is well worth a place for its pink or rosy purple pea-shaped flowers. Another pea-relative, excellent for the small garden, is Laburnum Vossi, bearing long clusters of "golden rain."

If I had the room and the right soil, a tree I'd like to take a crack at growing is Halesia Carolina, the Snowdrop tree. It isn't easy to make this subject comfortable in the average garden, as it demands a deep, light soil and a situation which is well drained and on the dry side in winter but constantly moist in summer—conditions not too easy to meet in our climate.

★ ★ ★

The Snowdrop tree, sometimes called the Silver Bell tree, seldom grows higher than 20 feet in our climate, although it makes twice this height in the deep south. The virginal snowdrop-like blossoms come in May.

A rather rare ornamental crabapple suitable for the smallest garden is Malus Ioensis flore pleno. This one puts on height at a snail's pace and is unlikely to make 15 feet even after 20 year's time. The blossoms are fully double in a good clear pink shade and are very fragrant.

Another good crabapple is Malus Purpureus Aldenhamensis, so named because it originated in a famous garden in Aldenham, in Hertfordshire. The foliage is tinted purple and the blossoms an unusual ruby shade, like looking at the sun through a glass of port wine. In spite of its distinctive coloring, the tree is not expensive, running around $3.50 at local nurseries.

'Red Chief' New Horror

Let us examine the problems of Phil Reisman Jr., a monastic-looking, harassed, self-confessed square who is adapting O. Henry's famous story "The Ransom of Red Chief" for a TV special on NBC, Aug. 16.

It's a story of a couple of crooks who kidnap a small terror of a boy with the idea of holding him for ransom—only to discover that his father, far from wanting the little monster back, is terribly relieved to find him gone. Instead of collecting a fat ransom, the two hoods have to pay papa to take the little fiend off their hands.

★ ★ ★

Well, sir, Mr. Reisman's problem is to fit that unorthodox tale into our own guilt-ridden, psychiatry-haunted, Parent-Teacher-obsessed generation without offending anyone except O. Henry, who fortunately is dead, although this script could conceivably bring him back to life roaring with anger.

In the first place, Mr. Reisman has shifted the action from Summit, Alabama, to Summit, New Hampshire. Reason: the South is in such an upheaval that it is not at the moment suitable for comedy.

★ ★ ★

In the second place, the whole idea of kidnapping in the TV script originates in the mind of the boy rather than that of his kidnappers. Since the Lindbergh kidnapping, says Reisman, kidnapping has been no laughing matter. Actually, kidnapping was no laughing matter before the Lindbergh kidnapping either. The real difference between O. Henry's day and ours is simply that they had a sense of humor and we have guilt complexes.

Ebenezer Dorset will be changed to uncle of the boy. To Reisman, it's inconceivable that any father would not want his child back—even a little horror. The two men—Hans Conreid and William Bendix—are not kidnappers but confidence men forced into taking the boy.

The two confidence men are outfoxed by a shrewd New Englander and that is a laughing matter besides being thoroughly respectable, inoffensive to all races, creeds, and colors, and heartily endorsed by the mothers of America, the Daughters of the American Revolution and the FBI.

"The changes in 'The Ransom of Red Chief' don't damage it a bit," says Mr. Reisman defiantly. "If they did, I wouldn't have made them.

★ ★ ★

"The main reason I have the kid ask to be kidnapped is this: I have a professional aversion to this sort of thing. No one will murder or rob because he saw it on the air. But the more attractive crimes—kidnapping, sex crimes, narcotics—can plant a seed in someone's mind if shown on television.

"There's a kind of poetic justice the way I did it. If O. Henry were to appear before me tomorrow, I could defend myself. He might not agree with me, but I could defend myself."

Jayne Hasn't Learned Her Lesson

LONDON (NANA)—**Jayne Mansfield** flew into London last week with her lesson still unlearned. She talked to the writers and reporters of the cheaper press. Jayne was chopped into mean little pieces on her last visit here by writers whose obvious trademark is overwhelming envy of success, especially if it is American success.

★ ★ ★

Undaunted, Jayne telephoned one of the most venomous of the reporters just before she left and told him, "I'm sorry I couldn't see you again, but 20th Century-Fox wouldn't let me. I have an hour befor leaving, will you come over?" He did—and murdered her more ruthlessly in print than he had ever done before.

★ ★ ★

Paul Robeson has become so Russia-minded that he follows the Russian custom of applauding the audience when it applauds him—he does it each time he appears as "Othello" at Stratford-on-Avon.

★ ★ ★

I wish **Elizabeth Seal**, the young star of "Irma la Douce," would come to the states. She'd be a sensation with her pixie looks and great talent.

★ ★ ★

Laurence Harvey goes **Paul Newman**, who rides a motor scooter, one better. Larry rides pillion on his scooter, with a chauffeur in uniform to drive him!

★ ★ ★

The old mad days of big spending by stars seem to be returning. **Curt Jurgens** is spending $40,000 for his blue mosaic swimming pool on the French Riviera.

★ ★ ★

Sir Alec Guinness's account of "my strange encounter with **Elsa Maxwell** in America—she invited me to a party and when I came in, I was surrounded by television people and found I had to eat papier mache food!" I'm glad we'll be having Alec in Hollywood for a **Dick Powell** picture. Our parties feature real food.

Opening lead: ♣ 3

Buffalo's Agnes Gordon, a former Canadian, put on a brilliant display of her accustomed skill when she played today's hand in the recent Canadian-American Championship at Montreal. Few players would have dared to double on North's hand, and since a two-diamond overcall has little to commend it, most experts would have passed the one-spade bid and awaited developments. North not only doubled; he raised his partner to game—requiring declarer to resort to cheek and chicanery to land her contract.

From the fact that West did not lead a spade, declarer decided that he must be missing two honors in the suit. If East gained the lead with a diamond — whole he still held spades—the contract would go down; so, after winning the club lead with the jack, South returned a low spade. A suspicious West played the jack and felled his partner's ten-spot. West led another club, and Mrs. Gordon won and played a second spade, taken by East's king, dummy discarding a heart. Declarer won the heart return with the king, and finessed dummy's diamond ten, losing to East's jack. But now East was out of spades and had to play another heart. Dummy's ace captured that trick; a club enabled declarer to return to her hand for a second diamond finesse which brought in her nine tricks: two in hearts, four in diamonds, and three in clubs.

Rally Follows Heavy Slump At New York

NEW YORK (UPI) — The stock market took its worst beating in almost four years and then rallied from its low just before the close.

The late comeback pared losses in the main list but the market still finished the session with individual losses running past 10 points.

The electronics, among the hardest hit in the sell-off, made one of the strongest recoveries. Some of the chemicals also came back smartly from the lows.

Traders had blamed the weakness on profit-taking following the market's recent surge to new all-time highs. They said the correction was necessary and predicted that the market would resume its advance once the selling was out of the way.

Volume picked up on the decline and continued strong during the recovery which saw Texas Instruments reduce its loss from more than 11 points to around 3 points.

Toronto Staggered

TORONTO (CP) — Industrials suffered their sharpest setback in more than nine months as the stock market was staggered by a wave of selling.

The industrial index loss of almost 6 points was the biggest the section has suffered since Nov. 24, 1958, when it gave up more than 9 points.

Among industrials, losses ranged to Ford Motor's 3¼ dip at 74⅛. One-point setbacks were not uncommon while General Dynamics, General Motors, Steel Company of Canada and Canadian Cottons were down more than 2.

International Nickel dipped 2⅛ at 98⅛ as interlisted stocks, issues traded here and in New York, were down. Among other mines Falconbridge eased 1½ at 28¾, while Noranda and Consolidated Denison Uranium gave up ½.

Western oils were generally mixed. Home B took the big loss, down ⅜ at 14⅝. French Pete led juniors up 65 cents at $7.40.

Banks Pace Decline

MONTREAL (CP) — The market swung down and showed a number of declines of more than a point at the close of moderate trading.

Banks paced the decline. Commerce was down 2 at 63, Toronto-Dominion lost 1½ at 64½, Canadienne Nationale dipped 1¼ to 58¼ and Nova Scotia was off a point at 81 while Montreal dipped ¾ to 59⅝.

Steels, pipelines and base metals were also off, generally in a fractional range. Big losers included International Nickel, off 1½ at 99½, Aluminium, off 1⅝ at 33¼, Consolidated Paper down 1¾ at 41½ and Stelco, off 2⅞ at 83½.

A fractionally easier tendency in the utilities was irregular. Bell eased ¼ to 43⅛ while B.C. Power improved ½ at 38¼.

Mining Stocks Easier

VANCOUVER — Most mining stocks were lower with Bethelehem at 1.27, Torwestat 51 cents, Highland Bell at 1.60 and Canam at 15 cents.

Better were Cowichan at 70 cents, and Trojan at 13 cents.

Peace River at 57 cents was higher among oils.

Industrials were mainly easier with Capital Estates sagging to $11⅜, Woodwards to 20⅞, Powell River to 36⅛ and Trans Mountain to $13.

Grain Prices

WINNIPEG (CP) — Most prices showed a fairly steady tone in moderately active trading.

There were no reports of export business in Canadian flax or coarse grains. There was some buying in flax by commission houses and international interests, with demand prompted by reports of crop deterioration in the Prairie provinces where moisture has been deficient.

London Stock Prices

LONDON (Reuters) — London stock markets maintained a firm tone although conditions were not as buoyant as on most days last week.

Nevertheless industrials recorded numerous gains. Brewery shares were firm. Shipping shares were generally better but steels were erratic.

Gilt-edged securities were quiet and easier. There was little interest in foreign bonds and rails. Dollar stocks were irregular, but a number of Canadian issues were better.

'Inevitable' Increase Near Maximum

Banks Raise Rates Again

By HARRY YOUNG
Colonist Business Editor

Following the jump in the Bank of Canada rediscount rate to its all-time high of 5.97 per cent last week, the chartered banks yesterday revised upwards the rates they are charging for call loans backed by certain securities.

The rate on loans secured by Canada bonds of under 10 years maturity is raised by half of one per cent to 5¾ per cent; on Canada bonds of more than 10 years maturity the new rate will be 5½ per cent, up .25 per cent.

The banks are also increasing rates on municipal and provincial bond collateral from 5½ to 5¾ per cent. Loans secured by corporate bonds and stocks remain unchanged at 5¾ per cent.

The increase is held to be inevitable in view of the high cost of borrowing on short term, and bankers say the rates asked would be considerably higher if the banks were not bound by the provision of the Bank Act, which sets the straight lending rate at a maximum of 6 per cent.

NICKEL SALES UP

International Nickel Co. of Canada's recent efforts to widen and strengthen the market for nickel is apparently bearing fruit.

The half yearly report of the big Sudbury company shows that nickel sales are up 50 per cent from a year ago.

Inco earned $2.63 a share against $1.46 a year ago, with improved copper prices contributing to the increase.

In a report to shareholders, Dr. John F. Thompson, chairman, said nickel plating was responsible for 15 per cent of the total consumption of nickel, and added this was potentially a fast-growing market.

The new chromium finishes, far from taking the place of nickel plating, were actually increasing the use of nickel in their production.

Dr Thompson said nickel was used as the undercoat for the popular chrome finish used on cars and many appliances and the thicker the undercoat of nickel the better the quality of the chrome finish.

PIPELINE EARNINGS

Trans Mountain Oil Pipe Line Co. earned $397,000 (5.3 cents a share) in the first half of 1959, against $348,000 a year ago.

Deliveries averaged 90,766 barrels a day during the period but the effect of the removal of U.S. import restrictions was hardly felt as new tenders for Puget Sound refineries were still in transit at the end of June for delivery during July.

Alberta Seeks Pipeline Permit

CALGARY (CP) — The Alberta Gas Trunk Line Company will apply to the Alberta Oil and Gas Conservation board Sept. 15 for permission to construct a $97,000,000 natural gas line from Northwestern Alberta to the Crowsnest Pass.

The 336-mile line would start at the Berland River gas fields and connect at the British Columbia border with a joint pipeline project planned by Westcoast Transmission Limited and the Alberta and Southern Natural Gas Company.

Both companies are seeking to export gas to the western United States. Their plans call for a 107-mile line from the Alberta border to the B.C.-Idaho border at Kingsgate, B.C.

The export project involves a total of 3,100,000,000 cubic feet of gas during the next 25 years.

Cougar Camp Not So Loaded As Expected

Although Victoria Cougars have a plentiful supply of players in contrast to other Western Hockey League seasons, manager-coach Hal Laycoe has already indicated that his training camp will be attended by fewer personnel than most people think.

Laycoe had been a resident of Victoria for only fifteen minutes last night when he gathered with fans and shareholders at Liberal Headquarters and attempted to answer rapid-fire questions about the "new look" Cougars.

Most of these questions he answered. Others he evaded entirely. Nevertheless, those who attended went away completely satisfied that this year's club should be the best since the championship team of 1949-50.

Regarding the many players who have been secured and those who are reportedly scheduled to be assigned here, Laycoe quickly stressed that a few surprises will be in store come training time.

"Right now I've got the best outlook player-wise since I entered this league. I know what most of these fellows can do and I'll only invite the ones I think can make the club.

"I'm referring mostly to the former New Westminster players and the ones owned by Victoria. Naturally, the others will get a longer look."

FIVE OR SIX

Laycoe held a telephone conversation yesterday with Lynn Patrick and stated that the Boston general-manager had offered him "five or six" players. Victoria, with its working agreement with Boston now stronger than ever, would have these players for the season, although some could be subject to recall.

"I've already talked with most of the players that were under me last year and that have been assigned here. A few of them seem quite intent on staying in New Westminster but I'm sure most of these differences will be ironed out," said Laycoe.

It is assumed that four of those who may balk at coming to Victoria are Ron Mathews, Max McNab, Arnie Schmautz and Gordie Fashoway.

SECURE JOB

Laycoe would comment on only two of these. "Mathews has a pretty secure job. McNab can make his own choice and I'll go by what he decides," said Laycoe, who regards McNab highly.

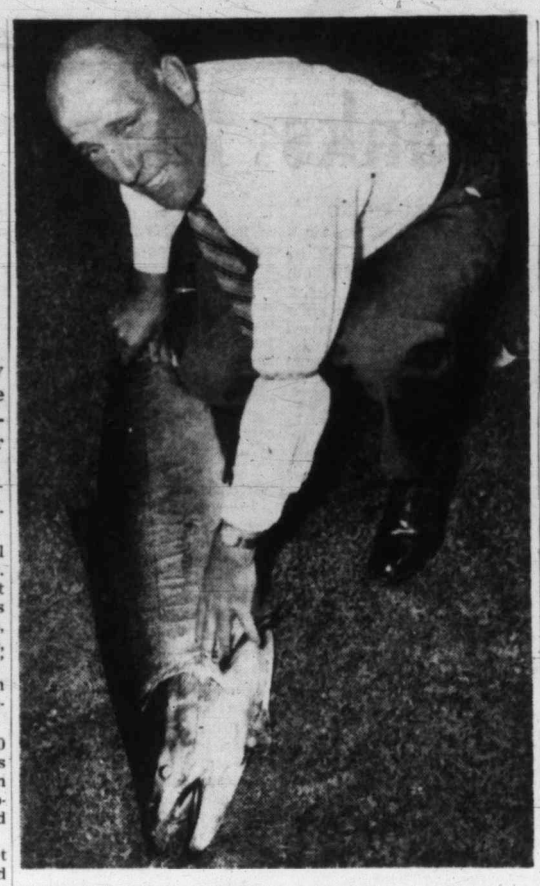

"Our training camp will open somewhere around Sept. 18 here at Memorial Arena. It will be run much the same as the New Westminster camps, two workouts a day with one, at night, open to the public."

Another point of discussion was Victoria's shoddy ice-making machine.

The purchase of a $10,000 machine, similar to the ones used by NHL clubs, has been put before city council for approval. A decision is expected shortly.

Meanwhile, season ticket sales will open around the end of this month. Many prices have already been reduced and most seats will go for approximately $1.50.

Cougars will open their home season against Vancouver and, while the date isn't official, it is hoped to be a Saturday as most of the club's home games will be played on that night.

Full Day's Work Rewarded

A good day's work, thinks Ken Buxton, 304 Brunswick, as he looks over the 46-pound, seven-ounce fish that gave him the lead in the spring salmon division of The Daily Colonist King Fisherman Contest. Buxton fished eight hours Sunday, starting at 5 a.m., before catching the fish in Swirl Bay on minnows.—(Colonist photo.)

Duncan Car Cavalcade For 'Conquering Heroes'

DUNCAN (Special) — This city's Little League All-Stars who won the Western Canada title last night will be welcomed here today like "conquering heroes."

An estimated 50-car cavalcade will meet them on their arrival at Nanaimo and escort them home "in style."

Mayor Jack Dobson, Reeve C. A. P. Murison and Chamber of Commerce officials will congratulate them at an "official reception" in Pioneer Park.

"And then they'll be sent home to rest up for their game at Portland," said Wayne Griffith, one of the sports-minded group organizing their return.

"We'd like to empty the town of cars, with as many as possible joining the cavalcade that is due to leave Pioneer Park at 4.30 p.m. The boat the team is on is scheduled to land at Nanaimo at 6 p.m.," said Griffith.

The team leaves here Thursday by bus for Portland where they play for the regional title, including the northwestern United States and western Canada.

PENTICTON, B.C. (CP)— Duncan, B.C. all-stars Monday used a basic baseball manoeuvre—the bunt—to edge Edmonton 2-1 in the Western Canada Little League Baseball Championship here before a record 2,500 screaming fans.

The B.C. champions scored their opening run in the fourth inning and the winning run in the fifth with the help of bunts. Edmonton opened the scoring with a home run by losing hurler Cliff Dembrosky.

Larry Paradis hurled three-hit ball for Duncan and scored the winning run. Dembrosky gave up six hits in taking the loss. Both went the route.

The winning run came on a walk to Paradis, a wild pitch, and two successful sacrifice bunts.

Als Smother Saskatchewan; Gain 439 Yards on Ground

Montreal Alouettes scored four touchdowns in the first nine minutes last night and rolled to a 53-19 victory over Saskatchewan Roughriders in an exhibition football game at Montreal.

Taking advantage of weak linebacking by the Riders, the Larks used end sweeps to rack up a fantastic 218 yards rushing in the first quarter and finished with 439 compared to 137 for the outclassed westerners.

Import halfback Art Johnson scored two touchdowns for Montreal. Hal Patterson, Joel Wells, Red O'Quinn, Veryl Switzer, Tom Moran and Ray Siminski each added a touchdown and Bill Bewley booted five converts.

Veteran Bobby Marlowe scored two touchdowns for Saskatchewan. Tex Schreider got the other on a pass from quarterback George Herring, and Reg Whitehouse added a convert.

Five Goals By Harvey Cinch First

Gerald Harvey scored five goals for James Bay yesterday at Stevenson Park as the Bays clinched first place in the midget division of the Greater Victoria Minor Lacrosse Association with an 8-3 victory over Saanich Farmers.

Earlier, Farmers had played to a 10-10 tie with OK Tire, getting five goals from Doug Little while Dave Tutor scored six for the Tiremen.

Saanich and OK Tire play a sudden-death playoff Monday, with the winner to meet James Bay in another sudden-death game for the city midget title Thursday.

City teams won two Island titles and took a major step toward a third Sunday afternoon.

Saanich Tigers blanked Nanaimo, 26-0, in the second game of a two-game, total-goal series for the pee wee title after taking the opener, 14-1, on Saturday. Don McNeill scored 12 goals for the winners.

Punjab United took the bantam title with a 16-3 victory over the Nanaimo bantams. Punjab won the first game, 12-4. Victoria midgets opened a similar series with a 19-2 triumph over the Nanaimo entry.

Yankees Flex Their Muscles, Make Like Champions of Old

It's probably too late, but New York Yankees are suddenly playing baseball like New York Yankees.

They took over third place in the American League last night, beating Boston Red Sox, 4-3, in 10 innings, for their fifth straight victory. The way they did it was typical of the Yankees of old.

Boston's Frank Sullivan appeared on the verge of shutting out the world's champions, retiring 17 straight batters going into the ninth inning, with his team ahead, 4-0. Then a hit batsman, a walk and singles by Elston Howard, Hec Lopez, Cletis Boyer and pinch-hitter Norm Siebern pushed in four runs to tie the score. In the 10th, two walks and singles by Yogi Berra, Howard and Lopez brought in the winner.

On Sunday, the Yanks beat Kansas City Athletics twice in extra innings.

They took the first game, 4-3, in 14 innings on Gil McDougald's bases-loaded single with two out. Howard won the second game for them, 3-2, with an 11th-inning homer. Yogi Berra had sent the game into extra innings with a pinch-hit home run. It was the 360th homer of his major league career.

Rocky Colavito snapped out of a slump with four hits, including his 33rd homes, last night to lead Cleveland Indians to a 6-4 victory over Kansas City and cut Chicago's lead to two and one-half games. Cal McLish went the first seven innings and gained his 14th victory against five defeats.

On Sunday, the White Sox had taken two games from Washington Senators, 4-3 and 9-0, while the Indians were losing, 4-3, to Baltimore Orioles.

A ninth-inning double by Willie Kirkland capped a three-run rally last night and led San Francisco Giants to a 3-2 win over St. Louis Cardinals that stretched their National League lead to two games over the idle Los Angeles Dodgers. It was the only league game scheduled.

Sunday, the Giants beat Cincinnati Redlegs, 4-3, in 10 innings on a home run by Orlando Cepeda. Milwaukee Braves outlasted Los Angeles Dodgers, 8-7.

Bond's 10th-Inning Smash Gives Gorge Softball Win

Leroy Bond lined a single to centre field in the bottom of the 10th inning last night to drive in the winning run as Gorge Hotel edged Navy, 3-2, in the opening game of the double knockout playoff tournament in Section I of the Senior Open Softball League.

Bond's single brought in playing manager Ed Foychuck with the tie-breaking run in one of the finest games of the season, and put a thrilling finish to a pitching duel between Foychuck and Norm Haskell.

Foychuck scattered five hits, struck out seven and didn't walk a batter. He started the 10th-inning rally with a single and went to third on Bud Taylor's bunt single and an error. Bond's single, the eighth hit off Haskell, finished it.

On Sunday, Maycock Optical squeezed out a 6-5 triumph over MacNutt's Grocery in the opening game of their best-of-seven playoff. The clubs meet again tonight at 6.30 at Heywood Avenue Park.

Tonight's Section I game at 6.30 will pit Morrisons against Mayo Lumber.

B.C. Duckshooters Face Bag Cuts

OTTAWA—A sharp decline in Prairie duck populations has forced reduced bag limits for hunters in all provinces, according to the Canadian Wildlife Service.

British Columbia hunters, however, will have the largest limits in Canada except for Labrador and the north.

In B.C. the daily bag limit on ducks has been reduced from 10 to eight and the possession limit reduced from 40 to 32. Limits on geese (five daily and 10 in possession), rails and coots (25 in all), Wilson's snipe (eight) and band-tailed pigeons (10) remain unchanged. Black brant limits, as previously announced, have a daily limit of three and a possession limit of six.

B.C. hunting districts have been changed. New districts and the 1959 seasons by districts follow:

District No. 1 now is the area west of the summit of the Cascade Mountains and south of the electoral district of Atlin except the Queen Charlotte Islands, Vancouver Island and part of the Skeena River Watershed.

District No. 2 is the Queen Charlotte Islands and District No. 3 Vancouver Island and adjacent islands.

No. 4 is the electoral districts of Yale, Similkameen, North Okanagan, South Okanagan and Grand Forks-Greenwood. District 5 is northern British Columbia north of the 57th parallel, and district No. 6 is the rest of the province.

The 1959 seasons by districts:

No. 1—Oct. 3 to Jan. 6, ducks, geese except black brant and snow geese and coots; Jan. 16 to Feb. 29, black brant; Dec. 5 to Feb. 29, snow geese; Oct. 10 to Nov. 30, Wilson's snipe, and Sept. 1 to Oct. 11, band-tailed pigeons.

No. 2—Oct. 10 to Jan. 13, ducks, geese except black brant, coots and snow geese; Jan. 16 to Feb. 29, black brant; Oct. 10 to Nov. 30, Wilson's snipe, and Sept. 1 to Oct. 11, band-tailed pigeons.

No. 3—Oct. 10 to Jan. 13, ducks, geese except black brant and snow geese and coots; Jan. 16 to Feb. 29, black brant; Dec. 5 to Feb. 29, snow geese; Oct. 10 to Nov. 30, Wilson's snipe; Sept. 1 to Oct. 11, band-tailed pigeons.

No. 4—Oct. 3 to Jan. 6, ducks, geese, coots, black brant and snow geese; Oct. 3 to Nov. 30, Wilson's snipe; and Sept. 1-11, band-tailed pigeons.

No. 5—Sept. 1 to Oct. 31, all species except band-tailed pigeons, on which there is no open season.

No. 6—Sept. 12 to Dec. 16 for ducks, geese, coots, black brant and snow geese; Sept. 12 to Nov. 30, Wilson's snipe.

In Ontario and the three Prairie provinces, a special daily bag limit of four and a possession limit of eight has been set for canvasbacks and redheads, affected more than other ducks by falling water levels.

ALBERTA — Duck bag limits reduced from 10 to seven daily and possession limit from 40 to 21 . . . no changes in limits on geese, rails, coots and Wilson's snipe . . . southern Alberta season of Sept. 19 to Nov. 28 is three weeks shorter than last year . . . northern Alberta season is from Sept. 1 to Nov. 28.

SASKATCHEWAN—Daily bag limit on ducks cut from 12 to seven and possession limit sliced from 36 to 21 . . . unchanged limits on geese, coots and Wilson's snipe . . . southern Saskatchewan season of Sept. 21 to Nov. 28 three weeks less than last year . . . northern season Sept. 7 to Nov. 28 . . . closed to all hunting are Leaf, Beaufield, Bigstick, Cutbank, Lack, Snipe, Parkmount, Goose, Barber, Grassy, Silvery, Antelope and Kiliswauw lakes and Richard marsh.

MANITOBA—Daily bag limit on ducks cut from 10 to seven, possession limit from 30 to 21 . . . no limit changes on geese, rails, coots and Wilson's snipe . . . special season for duck hunting on cultivated land south of the 53rd parallel discontinued . . . season Sept. 1 to Oct. 31 north of 55th parallel, Sept. 11 to Nov. 21 between 53rd and 55th parallels, Sept. 18 to Nov. 28 south of 53rd parallel and Sept. 25 to Nov. 28 in delta waterfowl control area.

Par Almost Stranger In Ladies' Golf Meet

TORONTO — Only defending champion Mrs. Marlene Stewart Streit managed to break par here Monday in qualifying-round play of the Canadian Women's Open golf championships at St. George's club.

Two Victoria entrants, Mrs. Joan Lawson and Mrs. Shirley Naysmith, failed to qualify. Their scores were not available.

Despite a heavy rain that fell on the course, Mrs. Streit fired a 36-39—75, one under par, for a two-stroke lead over Mrs. J. R. Jamison of Edmonton. Mrs. Jamison's score was 36-41—77.

However, Mrs. Streit saw her steady round overshadowed by a spectacular hole-in-one by 18-year-old Mary Darling, Quebec junior champion.

Miss Darling aced the 135-yard sixth hole and came in with a 38-41—79 total. It was her first hole-in-one.

Included in the list of 32 qualifiers were three former Open champions. Along with Mrs. Streit were 65-year-old Ada MacKenzie of Toronto and Mrs. G. A. Cole, the former Betty Stanhope of Edmonton, who won the tournament two years ago at Montreal.

An eight-over-par 84 was the cutoff figure.

Green Leads Seniors Field; First Matches This Morning

Tom Green Jr., a three-handicapper from Seattle, led 17 qualifiers into the championship round of the 17th annual Seniors Northwest Golf Association tournament yesterday with a three-over-par 73 at Victoria Golf Club.

About 140 golfers teed off for the qualifying round for berths in the six divisions of the competition. Sixteen berths were open in the grand championship, but Oscar Willing and F. Watson tied for No. 16 with gross 80s.

One stroke behind Green with a 74 was defending champion Edgar Eisenhower of Tacoma, who beat Roger Peck, also from Tacoma, on the 18th last year. Peck qualified with a 75.

Qualifying scores, draw and starting times for today's first round:

T. M. Green	73-3—71
E. N. Eisenhower	74-5—69
R. W. Peck	75-5—70

New King Fisherman Spring Leader

Angler's Patience Pays Off

After eight hours without sign of a salmon, many anglers would be tempted to head for the dock in disgust. Ken Buxton didn't, and because he didn't he is the new leader in the spring salmon division of The Daily Colonist King Fisherman Contest.

Buxton, 304 Brunswick, started fishing Pedder Bay at 5 a.m. Sunday along with Bob Tredwell, 979 Thomas. It wasn't until 1 p.m. that he brought in his fish, but when he did land one it was a 46-pound seven-ounce spring, biggest of the season to date.

Buxton caught the fish in Swirl Bay, using minnows with 125 feet of line and four ounces of weight. A Colonist subscriber, he now leads the contest for the King Fisherman Trophy in the spring salmon division, and will win a spring crest for the month of August.

FBI Agent Outshoots Jim Zavitz

CONNAUGHT RANGES, Ont.—An FBI agent beat out a Mountie from Nanaimo to win the Canadian open pistol championship here yesterday, but the RCMP officer emerged as the Canadian closed champion for the third time in seven years.

Earl E. Cole of East Orange, N.J., an FBI special agent, scored 1,711 points of a possible 1,800 in the three-day championships to take the open title. Runner-up Cpl. Jim Zavitz of Nanaimo RCMP finished with 1,693, but took the Canadian closed title he won previously in 1953 and 1955.

Capt. John J. Barrett of Army headquarters, Ottawa, took the Queen's medal.

Durelle Wants More Money For 'Rematch' to Rematch

MONTREAL (CP) — Yvon Durelle threatened Monday not to sign a contract for a return bout with light-heavyweight champion Archie Moore unless it guarantees him more money should he win the crown in their battle Wednesday.

"The return bout contract calls for each of us to get 30 per cent," Durelle said.

"That's not enough for me. I haven't anything to show for 14 years of boxing. If I should win I want at least $100,000 for a title defence."

Despite his complaints a spokesman for promoter Eddie Quinn announced later the contracts would be signed today. He said the signing had been delayed so that Truman Gibson, president of the National Boxing Enterprises, could be present.

Durelle's manager Chris Shaban, not present when the Baie Ste. Anne, N.B. challenger made his complaints, said later "there's no doubt we'll have to sign. After all, Moore is the champion and we are after the title."

Durelle, obviously keyed up for Wednesday's night fight, was adamant. "The return bout contract is in my room," he said, "and I'm not going to sign it. They can throw it out the window. If my manager signs it, and I win, then let my manager fight the return bout."

Motel Inspectors Can't Smell, Tourist Charges

Provincial motel inspectors must be "blind" and suffering from "anosmia" (loss or impairment of the sense of smell), an American tourist has charged in a letter to Government House.

The writer, Paul H. Davis of Los Angeles, said he was forwarding his criticism of B.C. tourist facilities because he is so fond of Canadians.

He was also sharply critical of Victoria-Port Angeles ferry facilities at the Victoria end, and of "erratic" charges for accommodation.

During a month-long tour of B.C., Mr. Davis said he and his wife selected nothing but four-star motels, some of which were "bad."

He said the proprietor of one motel quoted a certain rate, saying it would be discounted 10 per cent if they stayed a week.

They stayed 11 days, then were told the 10 per cent applied to the week they stayed, but not to the last four days.

"That type of sharp dealing makes a bad impression on tourists," Mr. Davis said.

At another motel, after they asked for twin beds, the rate quoted was $7 a night. But after the couple moved in they were told it would be $8 if the second bed was used.

At another four-star motel "the equipment was ragged and the rooms were greasy (and) dirty," Mr. Davis charged.

He said he spent from noon until 7 p.m. trying to reach Port Angeles by ferry because he was wrongly informed by the Tourist and Publicity Bureau about long lineups.

'Fair Lady' Bows Out

LONDON (AP)—Julie Andrews took her applause Saturday night as she has done a thousand times since "My Fair Lady" blazed into a stage success.

But this time tears rolled through her makeup. She ran to her dressing room and wept for more than an hour.

Thus 24-year-old Julie parted from ageless Eliza Doolittle. Now, she said, she plans a long rest.

Four in City Family Hurt in Collision

Four members of one family were treated for injuries Sunday evening at Royal Jubilee Hospital emergency ward, following a traffic collision at 7.05 p.m. at Linden and May.

Mrs. Agnes Allen, 34, of 1270 Carnsew, with a cut forehead and injured foot, was admitted and yesterday was in "good" condition. Russell Allen, aged three, with a cut forehead and broken collar-bone, was also admitted but was sent home yesterday.

Nine-year-old John Allen was treated for an injured knee and released. These three were taken to hospital by city police.

Raymond F. Allen, husband and father, went to hospital after the others, and was treated for an injured neck and released.

Accident involved cars driven by Mr. Allen and Margaret E. Morrow, 200 King George Terrace.

She's Away More and More

Flipper's Well Fed Now

Flipper, the James Island orphan seal, is getting plenty to eat now after some hungry days.

Since "adoption" at the Joseph Askey home a month ago she has doubled in weight.

With the fishermen's strike over, her dietary problems are solved, but after newspaper stories told 10 days ago her need for six pounds of fish a day she never ran short anyway.

Before the strike fishboat scraps provided her food.

A Saanich dock owner offered all the herring she could eat—after he had removed strips for anglers' bait, of course.

Private yachts still drop anchor in front of the Askey home daily with offerings of fish for a chance to watch the baby seal in action—but Flipper is increasingly absent lately.

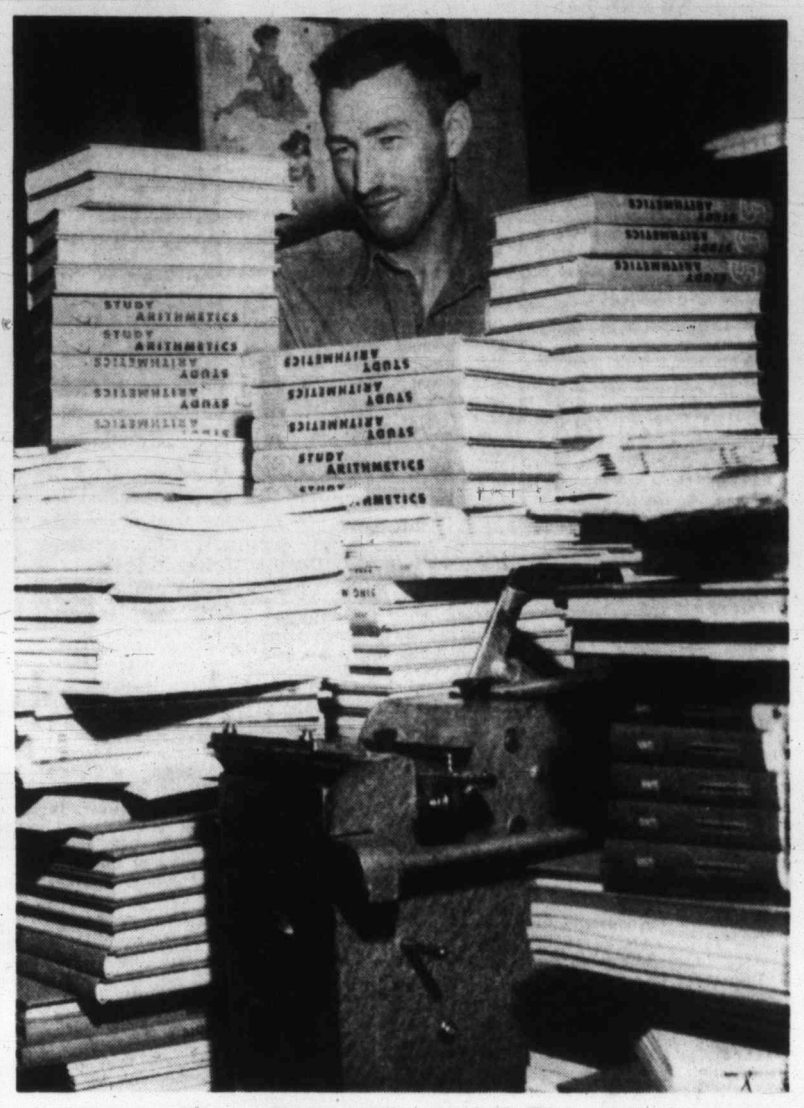

"She's learning to fish for herself," Mrs. Askey said last night.

"She spends more and more time away from home, but she always comes back at night.

"She comes back two or three times during the day as well, but we were pretty worried about her Sunday when she didn't come back by 10 p.m."

Flipper finally came, however, flapped her way up to a converted doghouse in the Askey backyard and bedded down for the night.

"We'll keep looking after her as long as she seems to need us," said the mother of the three boys who saved Flipper's life when she got stranded by the tide on James Island, July 19.

He's Handling Tons of Learning

Knowledge by the ton is handled during summer at textbook branch of education department on Menzies, where shipments of school books are unpacked, repacked into smaller containers usually containing about 60 pounds, and dispatched to individual schools throughout province. About 1,000,000 books will be sent out before school starts again. C. D. Thompson, 1255 Glyn Road, handles part of a daily load now running at between 15 and 20 tons.—(Colonist photo.)

Offers Fall Short

House-Moving Deal May Cost City $30,000

A venture into the house-moving and renovating business may cost Victoria city about $25,000 or $30,000, judging from results in a "mass open house" at seven city-owned houses at Queens and Chambers.

J. Donald Smith, whose firm conducted the open house, said last night he believed the best offers received on the houses would total about $60,000. The offers are scheduled to be transmitted to city hall today.

NEED NOT ACCEPT

City council need not accept the offers, but they are the first of any consequence received since the houses were put on sale through multiple listing.

Moving of six of the houses from the site of the new firehall on Yates and one from Caledonia Avenue, and renovating them, cost the city about $90,000. Originally, on the basis of a hurried estimate of moving and refurbishing costs, the city had hoped to make a profit of more than $15,000.

NOT OUT OF LINE

The Real Estate Board of Victoria appraised the reconditioned houses at $75,000 before they went on sale, but Mr. Smith said yesterday he didn't think the offers were out of line considering that buyers would have to spend more money to make the houses habitable.

FIRE ESCAPES

The three duplexes, he said, needed fire escapes; the garages would have to be fireproofed if the buyers wanted to use them and hot water heaters would have to be installed in all the houses and perhaps electric stove wiring inside some.

Even if council takes an immediate loss on the houses, it will have some consolation. When they are sold, they will go back on the tax roll, and will be bringing in tax revenue the city would have lost if they had been torn down.

Winner of a $250 bursary in a PNE-sponsored province-wide vocational essay contest was Diana Dron, 18, 2744 Bowker. A graduate of Oak Bay High School, she won the award for her essay on "Medicine."

$10 Fine

Wasp 'Stings' Driver

SHAWNIGAN LAKE—A woman who said she rolled her car while trying to get a wasp out of it was fined $10 in court here yesterday when she pleaded guilty to a charge of careless driving.

The driver, Mrs. Margaret Cameron Lundeburg, Old Koksilah Road, near Duncan, appeared in court just after being released from hospital after suffering a broken jaw and other injuries.

Police laid the charge after the accident June 14 at Cobble Hill.

Plaques for Generosity

William Yardley, chairman of the Industrial and Commercial section of the Chest campaign committee displays plaques to be given to employee groups of firms employing 10 or more persons who donate their "full share" to the $325,000 Chest appeal. "Full share" is equal to 10 minutes pay a week for 52 weeks by 80 per cent of the staff.—(Colonist photo.)

To Keep a Promise

Wife Brings Bob Hope To Victoria

A 14-year-old promise was honored yesterday when comedian Bob Hope visited Victoria, on a Vancouver Island holiday.

The promise was made in July, 1945, when Mrs. Hope—Dolores—visited Victoria. She was so pleased with the city she promised to bring her husband with her next time she came.

And she did.

The Hope party spent a few hours in Victoria before leaving for Qualicum Beach. They will return to Victoria Friday.

With the Hopes are their adopted children, Tony, 19; Kelly, 12, and Nora, 12. Another daughter, Linda, is flying to Victoria to join them, Friday.

Although this is his first visit to Victoria, Bob Hope had heard a lot about it—he used to play golf with the late George Straith at Palm Springs.

ONE LIKES IT HOT

The Hopes stopped at a downtown restaurant before driving up-Island in a U-drive car. They all had tea, but Bob was the only one who drank it hot—the rest of the party had iced tea.

The comedian and party came to Victoria on the Princess Patricia from Seattle, where he was attending the annual Seafair carnival. Word was sent ahead from the ship to warn Canadian customs officers that a large quantity of luggage was on its way—Hope traditionally carries plenty of luggage on trips.

STRICT DIET

The much-travelled jester is on a strict diet and under his doctor's orders to slow down. His sight was threatened recently when a bloodclot developed in an eye.

His long-time manager and friend, Fred Miron, said Hope had been ordered to take "a complete rest."

The manager, who has been with Hope for 17 years, said the party planned a leisurely boating and fishing trip along the east coast of Vancouver Island, starting from the Victoria area, Friday or Saturday. They hope to cross the fishing trail of Bing Crosby and Phil Harris somewhere along the line.

At Qualicum Beach yesterday evening after the drive from Victoria in a rented car the comedian almost immediately went out on the golf course.

Duke Street

Shortage Of Water Protested

The water shortage issue boiled up again at Saanich council last night when councillors heard bitter complaints from three residents of drought-dry Duke Street.

Letters of complaint were received from Vivienne B. Fall, 1209 Duke; E. C. Duff Wilson, 1202 Duke, and Mr. H. R. Tipping, 1204 Duke.

BID FAILS

Mr. Tipping attended the meeting personally, and addressed councillors, but failed in an attempt to get an assurance that something will be done to alleviate the shortage.

The houses are on high land and are without water in the late afternoon and evening.

PROBE UNDERWAY

Mr. Tipping was told that a thorough investigation of Saanich's water system was being made and improvements are being made from time to time.

"Our problem isn't something that has just come up," he told council. "To my knowledge this is something that has been going on 10 years and I understand council has had letters about it over that time. Nothing has been done."

Homes Saved

Blaze Threat Foiled

Belmont naval fire department called for outside help when three occupied homes were threatened yesterday by a fire that swept across four acres of bush and grassland.

The fire started about 2.30 p.m. and swept over a sparsely-treed area south of Wilfert Road and the Old Island Highway. Firemen prevented the blaze from reaching the three homes.

COLWOOD VOLUNTEERS

Two trucks from the naval fire hall were bolstered by a pumper and a 25-man naval fire-fighting crew from HMCS Naden and by two trucks from Colwood volunteer fire department.

The area was still smouldering at 7.30 last night, and a naval spokesman said men would keep watch through the night to prevent a flareup.

STORAGE SHED BLAZE

A fire in a large storage shed at 2474 Millstream Road on Sunday evening caused an estimated $800 damage. Langford volunteer firemen prevented the flames from spreading to the home of J. A. MacIntosh, only eight feet away from the burning shed.

Saanich firemen spent about an hour at a bush fire in the 1200 block of Oakmount Road yesterday morning and attended at the home of Mrs. Alice Dobbin, 3287 Glasgow Avenue, where a plugged chimney caused smoke to belch out from the furnace.

Symphony Plans

Grand Opening 'New Era' In City Music

Victoria Symphony Society will invite leading provincial and local officials to attend a concert at the Royal Theatre Oct. 5, marking the grand opening of its 1959-60 season.

If officials accept the invitation, the event will mark the greatest emphasis ever placed in Victoria on the symphony's opening night, said society president Jack Barraclough.

Opening-night excitement at a packed theatre would be followed by a reception for up to 500 invited guests.

Symphony society directors last night started planning the event in a bid to "open a new era" to many Victorians who in the past "have not realized the satisfaction" of attending symphony concerts.

Two more concerts are scheduled in the current summer program. Tentative schedules call for an indoor evening concert at Sidney Sept. 11 and an outdoor afternoon concert in Victoria Sept. 13. The latter concert will be free to the general public.

The society hopes it can increase by 400 its present membership of 1,400 through a special membership drive which will be held Sept. 14 to 21.

Officials said more than 100 canvassers will be needed and asked volunteers to telephone the Victoria Symphony Society at its office at 1110 Government Street, EV 4-9523.

City to Bat For Juvenile Ball Tourney

Finance committee of city council expressed willingness yesterday to recommend some city donation toward the cost of a Babe Ruth League juvenile baseball tournament in Royal Athletic Park Aug. 13 to 16.

But the amount will depend on how much money is needed and how much the other Greater Victoria municipalities contribute, Mayor Percy Scurrah and Ald. Arthur Dowell agreed.

Saanich Squabble

Service Stations Spark Battle

A suggestion that construction of new service stations in Saanich should be more rigidly controlled sparked an argument at the council meeting last night.

A special meeting of the lands and planning committee was set for Aug. 25 to thrash the matter out.

Discussion was over a recommendation from the lands and planning committee that service stations should be deleted from the list of businesses which can be established in areas zoned for commercial use.

Coun. Stanley Murphy, chairman of the committee, said he felt the municipality's present commercial zoning was 10 years behind the times.

"Gas stations will have to be put under separate zoning," he insisted.

Coun. Leslie Passmore said he could see no difference between grocery stores and service stations.

"Generally, service stations enhance an area," he said.

"There seems to be anathema to service stations in this council."

Reeve George Chatterton pointed out that council could not be sued for altering zoning regulations.

"I think we should remove gas stations from the bylaw and consider each one, one by one."

Saanich town planner Antony Parr said "there are particular traffic problems with service stations. I can't agree that service stations on four corners of an intersection help that intersection."

Chest Miss Red Feather Ballyhoo Unwelcomed

Idea of a ceremony to name "Miss Red Feather" at the corner of Yates and Douglas on a busy Friday evening didn't appeal to city council finance committee yesterday.

The committee passed on to the Community Chest a suggestion from the police chief that the ceremony be on a "quiet corner," View and Broad.

The chest hopes to name a Miss Red Feather from candidates from member agencies on the evening of Sept. 25, a Friday, to start its fund campaign, the committee was informed.

Market Battle Still On

Back-to-the-wall efforts to save the doomed City Public Market from destruction by order of the city, are still being continued.

A meeting of the "Save the Market Society" is scheduled for 8 p.m. today in the Orange Hall, 725 Courtney. All those interested in saving the veteran market building from the wrecker's hammer are asked to attend.

"As long as the walls are standing we will keep struggling to keep them standing," longtime stall operator Attilio Randy, a leader in the fight to save the market building, said last night.

Exhaust Fumes Overcome Two Visiting Yachtsmen

CHEMAINUS—Two Vancouver men were hospitalized here last night with carbon monoxide poisoning after the exhaust system on their pleasure craft gave way.

Joe and Andy Potomak managed to bring their craft to Crofton following the breakdown, then both collapsed on the dock. Five other passengers in the boat were not seriously affected.

Fishermen Quick To Return to Sea

Victoria's 50 union fishermen lost no time returning to work once their 12-day strike with the British Columbia Fisheries Association ended—some left port Sunday night, the rest yesterday.

At the same time, Victoria's 69 shoreworkers began resuming work. Some 9,000 members of the United Fishermen and Allied Workers' Union throughout B.C. were affected by the strike which was settled Friday night.

Saanich Man Faints At Council Meeting

A Saanich resident fainted at the municipal hall last night during a council meeting.

John Page, 3491 Saanich Road, left the hall about 8.15 p.m. when he felt faint but collapsed immediately outside.

He was rushed to St. Joseph's Hospital by a Saanich police car and was released after examination.

Mr. and Mrs. Page had attended the meeting to hear discussion on rezoning of land.

Your Problems

By Ann Landers

DEAR ANN LANDERS: I'm 13 years old and my little brother is seven. Our father travels and is hardly ever at home. Our mother is sick with cancer and I overheard some relatives say she probably won't live more than two months.

The woman who takes care of my brother and me is very mean. Yesterday I got a letter from a boy who is a junior counselor at a Boy Scout camp. This woman opened the letter before I got it. I didn't think she had any right to do this and I told her so. She called me a sassy brat and hit me on the back with a frying pan. I almost passed out from the pain. Today I can hardly walk.

Mom has a very nice sister but she's so busy going to the hospital every day I hate to bother her with my troubles. I'm afraid after Mom passes on this woman will be in charge of us forever. What shall I do? — NEED A FRIEND.

* * *

Dear Need A Friend: Telephone or visit your aunt immediately and tell her of the frying pan incident. The woman should not be in charge of children. I'm certain if your aunt knew the facts she would make different arrangements for you and your brother at once.

He's Bliss When Sober

DEAR ANN: I'm 29, single and have been seeing a lot of a man 38. He is divorced. I never was a popular girl and to be perfectly honest, this is the first man who has suggested marriage.

Jonathon is good-looking, courteous and considerate. The trouble is he gets quite drunk occasionally (about twice a week) and he's like a different person.

When I'm with him (and he's sober) everything is grand and I'm blissfully happy. But when we're apart and I think about his unattractive side I become filled with doubts.

My girl friend tells me there's no such thing as a perfect man—that I'm childish and short-sighted. She says I'll regret being so fussy one day. Advise me, please—and remember, there's no one else in sight, and I'm crowding 30. —SORELY PERPLEXED.

* * *

Dear Sorely: A man who gets "quite drunk" twice a week is not my idea of a red-hot candidate for a lifetime partner.

You're "happy" when you're with him because he is a man, and to use your words "the only one in sight." But when reality sets in, you see him as he is—complete with severely neurotic tendencies and glaring personality defects.

Tell Jonathan you won't marry a man with an unresolved drinking problem but you're willing to give him a chance to dry out. If he proves he can stay off the sauce (with or without outside help) for six months, then consider marriage. But not until.

Not Too Old at 51

Dear Ann: I'm a widow, 51, I live alone and don't consider myself too old for male companionship. I'd like to know how a decent woman can let a man know she's interested without appearing forward or cheap?

A gentleman I've known for years lost his wife two weeks ago. I know it's too early for him to be thinking about other women, but how can I let him know I'm around? And how soon do you think I should start?—LONESOME.

* * *

Dear Lonesome: If you've known the man for years, he knows you, too—so take it easy. After three months or so, invite him to your home for dinner, along with others. One such invitation is enough to learn whether or not he's interested.

What's Cooking!

Eggs Picnic Must

By LOUISE MOORE

What goes into the picnic basket more than eggs — hard cooked, devilled or chopped for sandwich fillings and in the salad bowl.

The easiest way to prepare, carry and keep eggs for al fresco meals is in the shell. In an unbroken shell, hard-cooked eggs keep for hours without refrigeration, thanks to the protection of the shell and papery lining underneath. But if you plan to serve hard-cooked eggs out of the shell—stuffed, or in salad or sandwich filling—keep them cold from the time they are shelled until they are served. Keep the eggs or the egg mixture in the refrigerator until you pack the picnic lunch, and carry them safely in a chilled, insulated or ice food container.

When you buy eggs—and they are a good buy right now, those of top quality — grade A, are preferred. Top grades, because of their thick egg whites and well-centred yolks are best for stuffing—both for appearance and because enough of the white all around the yolk holds the seasoned yolks. However, for cutting up for salads or chopped for sandwich filling, grade B eggs are suitable.

PROTECTS WORKER

Every province has a workmen,s compensation law to protect those disabled by industrial accident or work-caused disease.

Finally about "hard-cooked" versus "hard-boiled" eggs. Even though it takes longer to simmer than to boil eggs, most persons prefer the tender firm of the hard-cooked eggs to the tougher hard-boiled texture.

HOW TO RELIEVE THE MORE DISTRESSING DIGESTIVE DISORDERS

Prompt relief without laxative action

TORONTO, ONT. (*Special*) — Originally formulated by doctors for children's digestive upsets, Pepto-Besmal is now hailed as the family remedy for distressing stomach and intestinal upsets. Clinically-tested, Pepto-Besmal has proved itself as a safe controlled relief even for young children's sensitive stomachs. So adults have been quick to follow suit.

FOR INDIGESTION

Pepto-Besmal acts directly on stomach and intestinal tract without laxative action . . . to settle the upset and bring prompt sure relief, returning digestion to normal. So much more than temporary relief, it tranquillises irritated stomach and intestinal linings with a corrective "coating action" that attacks the cause of the upset. Contains no harsh alkalizers or saline laxatives which often aggravate the distress.

FOR NAUSEA

Pepto-Besmal brings quick positive relief from the misery of that queasy nauseated feeling . . . helps neutralize the acidity and calm "butterfly stomach."

FOR DIARRHEA

Clinical tests have established that Pepto-Besmal can control common diarrhea in a matter of hours, without constipating. Helps relieve gas pains and abdominal cramps, too.

PLEASANT TASTE

Pink, smooth-flowing Pepto-Besmal is easy and refreshing to take, for both children and adults. Contains no sugar . . . and has no harmful effects no matter how frequently it's used.

MORE COMPLETE RELIEF

Pepto-Besmal promises faster, surer, more complete relief for the more distressing digestive disorders. All pharmacies feature this popular remedy in three handy sizes for the home.

SPECIAL TRIAL OFFER:

The makers of Pepto-Besmal are so confident it will help you and your family when digestive disorders strike, they are offering a full size 4-oz. bottle, with no product cost. Just send 25c with your full name and address, to cover handling and mailing to Pepto-Besmal, 268 Caledonia Rd., Toronto 16, Ont., Canada. (This offer expires Aug. 22).

Gibson-Thomas Rites

Dainty Bride Wears French Lace Gown

Miss Vivian Marie Thomas and Mr. Donald Louis Gibson exchanged wedding vows in St. John's Anglican church recently.

The ceremony uniting the daughter of Mr. and Mrs. J. Thomas, John Street and the son of Mr. and Mrs. L. D. Gibson, Argyle Street, was performed by Canon George Biddle against a backdrop of gladioli, daisies, stephanotis and fern.

The dainty bride was a picture in her ankle-length French lace gown with its scoop neckline and lily-point sleeves.

Her shoulder veil was caught to a coronet of seed pearls and rhinestones and she carried red roses, white carnations, and stephanotis.

Pink, mauve and turquoise were chosen for her attendants' gowns, tulip-styled with picture hats and bouquets of white carnations and stephanotis.

Miss Sylvia Thompson was maid of honor and bridesmatrons were Mrs. Edna McDougall and Mrs. Georgina Falt. Flower girl Camille Falt was in pink.

Best man was Mr. George Varley and ushers, Mr. Ernie Gibson and Mr. Don Fish.

Following a reception at the Golden Slipper at which Mr. J. McLellan proposed the wedding toast to his niece, the young couple left on a motor trip through Canada and the United States, Mrs. Gibson travelling in a powder blue cashmere suit with beige accessories.

Informal Hour's Visit

Alexandra Goes To Supermarket

Princess Alexandra of Kent spent an hour yesterday at the Pandora Street Super-Valu and purchased among other things—an avocado.

The unscheduled visit to the supermarket went unnoticed by the Monday morning shoppers until they were told.

In a completely informal way, the radiant royal visitor to Victoria pushed a shopping cart around, purchasing odds and ends of household items, cosmetics and perishables for use during her flight today to Australia.

Acting store manager Mr. Peter Wilson said the party arrived about 11 a.m. and spent an hour browsing, buying and chatting with thrilled staff members.

Accompanying Her Royal Highness were Lieutenant-Governor and Mrs. Ross, Lady Moyra Hamilton, lady-in-waiting, another member of the royal party and several plain-clothesmen.

DELIGHTED

The princess expressed her delight at the vast array of produce and the way it was arranged.

Mr. Wilson asked her if there were many such supermarkets in Britain.

"No, not many where I live," the princess replied.

For the shopping tour, the blonde princess wore a pink sheath dress matched with a white cashmere cardigan, and white accessories. She was hatless.

UPLANDS DRIVE

The trip to the supermarket followed a morning drive through the Uplands district.

One comment Alexandra made prior to her drive at 10.30 a.m. was:

"Why can't we go sooner and see more?"

After luncheon, at her own request, the princess was taken for another drive up to the Malahat.

Following her arrival back at Government House, a quiet dinner was held and the party retired early to rest up for today's long flight to Australia.

★ ★ ★

Chatting with Archbishop Harold E. Sexton on arrival for Sunday's church service at Christ Church Cathedral, Princess Alexandra is shown in the mood of her Victoria visit, relaxed and happy.

Pictured beneath the Government House portico with her host and hostess, Lieutenant-Governor and Mrs. Frank M. Ross, the Queen's cousin, Princess Alexandra of Kent returns for a quiet luncheon following church service Sunday. — (Colonist photos by Jim Ryan.)

Complete Absence of Pomp

Radiant Princess Enjoyed Every Minute of Her Stay

Swimming, Water-Skiing, Meeting New Friends

Seldom has a royal visitor been received with so little pomp and circumstance and yet enjoyed herself so obviously as did Princess Alexandra of Kent.

From the arrival from London of the Queen's radiant cousin to her departure this morning for Australia, her visit to the capital has been delightful.

She's seen many of the city's beauty spots, she's spent a typical, 22-year-old's weekend—swimming, sunning, shopping and meeting and making new friends.

RELAXED VISIT

Staying with Lieutenant-Governor and Mrs. Frank M. Ross in the luxurious royal suite at Government House, Her Royal Highness has relaxed and followed no hard-and-fast schedule.

Notable feature of the princess' visit has been the lack of fuss either during official duties or at formal functions.

Victorians all across the city caught a fleeting glimpse of the princess as the big, black, official limousine cruised through the residential districts.

RETIRED EARLY

Saturday evening, after a small dinner party, the princess retired early.

Sunday morning, the relaxed and smiling princess, in a suit dress of turquoise blue light wool matched with a head-hugging white straw hat and white accessories, attended the morning service at Christ Church Cathedral.

Unlike Princess Margaret's visit, the church was well-filled but not packed.

A quiet luncheon followed the service and was attended by Premier and Mrs. Bennett and Mayor and Mrs. Scurrah.

Mayor and Mrs. Scurrah commenting to the Colonist last night said:

"We were very much charmed by her. Her keen interest resembles that of her second cousin, Prince Philip. She was much impressed on her drives around the city by the homes and gardens."

Later in the afternoon, Alexandra went for a dip at the Brentwood home of Mrs. W. C. Woodward, followed by an hour or two of water-skiing in the Saanich Inlet. At the helm was a Government House official.

IN STEP WITH STYLE

With the princess at the swim 'n' ski party were Lady Moyra Hamilton, her mother's private secretary, Philip Hay, Capt. T. N. Stack and her physician, Wing Cmdr. Brian Kelly.

Alexandra, very much in step with style, chose a wardrobe to suit the climate and her slender, long-stemmed English rose beauty.

Favoring the suit-dress ensemble following the short-jacketed trend with an Empire sheath-styled dress beneath, her choice in colors has been subdued but perfectly matched.

One of the sights that impressed Her Royal Highness on her visit here were the beautiful gardens around the city. Not least among these are the spacious, flower-filled lawns at Government House where Princess Alexandra and her host and hostess paused for this picture.

Revolt Brewing

Will Women Bare Knees for Dior?

NEW YORK (AP) — Will North American women bow to foreign dictate and expose their kneecaps?

The famed House of Dior in Paris says they will. But a rebellion is already brewing.

A few years ago women humbly and gladly wore longer skirts in compliance with the Dior New Look edict. But the new House of Dior decree for knee-length dresses is bound to be challenged—not by the men, by the women.

Men, by and large, are always in favor of shorter skirts—so long as their own wives don't wear them. But women are smarter.

They don't mind following any clothing style, no matter how ridiculous, so long as it is the clothing that looks ridiculous.

A prime example: the brief-lived "sack look." It made a woman look like she was ambling along in a tent. But it was the package that looked ridiculous—not the contents it veiled.

When a fashion makes the woman herself look ridiculous, however, it is bound to run into real trouble. And that is the problem the House of Dior seems to be boldly running up against.

When you get right down to it, only about one in 10 girls has legs she can look at in the mirror herself without a feeling verging from mild depression to total despair.

Irate Russian Housewife Puts Paid to Co-Existence

MOSCOW (AP) — Kitchen quarrels are so flooding Soviet courts that special courts will be created to deal with them.

Izvestia, the government newspaper, cites the case of an elderly couple named Khrenov and their dog and citizen Novikova and her daughter Lilya, all sharing the same apartment, as an example of the kind of troubles the new courts will handle.

The dog disappeared. Apparently the Khrenovs blamed Mrs. Novikova. Mrs. Khrenov banged Mrs. Novikova's windows at night with a lump of iron tied to a string.

Mrs. Novikova next discovered somebody had punctured her cooking pan. Then Mrs. Khrenov found her laundry in the mud after somebody had cut the clothesline.

While Mrs. Khrenov was washing a potato under the tap, Mrs. Novikova wrung out a floor rag over the potato pot. Mrs. Khrenov died of a heart attack.

Izvestia did not say who sued whom. But it reported the case had gone twice to the Soviet Supreme Court.

HOW YOUR LIVER BILE BREAKS DOWN FAT

Laboratory tests have now proved that liver bile *emulsifies* fat . . . actually *breaks it down*. It is an established medical fact that when liver bile is added to fatty solids, the fat is broken down and forms a smooth, easy-flowing mix.

In your body, precious liver bile helps break down fat the same way. Many foods reach the digestive tract as undigested fatty solids. Your golden liver bile helps break down this fat . . . unblocks it . . . for easier and more complete digestion.

Carter's Little Liver Pills exclusive formula of natural, vegetable ingredients relieves irregularity gently and effectively. At the same time, it actually improves the flow of liver bile needed to break down fat in your body.

So when you feel sluggish, headachy, nervous and need a laxative, get Carter's Little Liver Pills. Remember, Carter's not only relieves irregularity, but actually improves the flow of liver bile needed to break down fat.

8 CARD OF THANKS

We wish to extend our heartfelt thanks to all who so kindly assisted and for the words of sympathy and help at the death of our beloved wife and mother. —R. A. J. Lewis and family.

To our friends and neighbors, also doctors and sisters at St. Joseph's Hospital, please accept our gratitude for help and sympathy in our sad bereavement. —Ida Stacey and family.

9 IN MEMORIAM

McKEAN — In loving memory of our husband and father, Joseph, who passed away Aug. 11, 1957.
Nothing can ever take away
The love a heart holds dear;
Fond memories linger every day,
Remembrance keeps him dear.
—Ever remembered by his wife and family.

RICKINSON—In loving memory of our dear "Sampsie," who left us on Aug. 11, 1957.
Your memory is as dear today
As in the hour you passed away.
—Always remembered with love by grandchildren, Tommy, Raynette and Colleen, and niece Laura Joan.

9 IN MEMORIAM

RICKINSON—In loving memory of my dear husband, Thomas Rickinson, who passed away August 11, 1957.
The garment of his soul has passed away,
The shining spirit and the love light stay;
The echo of his voice, his eyes, his smile,
Just as they were, are with us all the while.
—Ever remembered by his loving wife Agnes, brothers Stan and Ray and daughter, Babe.

TV TALK

Leave It To Beaver producers have started another 40 segments to send the program into its third year on television.

Starring Jerry Mathers, Tony Dow, Barbara Billingsley and Hugh Beaumont, the situation comedy is currently carried on 32 Canadian stations.

* * *

New detective series coming from Warner Brothers is "Bourbon Street Beat," a cross between Peter Gunn and 77 Sunset Strip.

Script character description of Richard Long, who has the series lead, goes as follows: "A suave and handsome New Orleans bachelor who is also a private detective and an expert on jewels, jazz and jezebels."

* * *

"The part I liked best was where they had trouble on the cable."

Roger Smith, co-star of ABC's 77 Sunset Strip, expects to be back at work on the series in two weeks. Smith suffered concussion in a fall in his home about six weeks ago.

NBC has signed Chico Marx to a three-year contract which calls for Marx to caper in five shows a year . . . Larry Blyden will star in NBC's "What Makes Sammy Run," a two-part special listed for Sept. 27 and Oct. 4.

Hot romance . . . scorched, in fact . . .

THE PARTING

I've spent so many hours with you
And planned so many things to do;
While bending over you it seems
You're part 'n' parcel of my dreams.

I've stood by you, down thru the years,
Sometimes with smiles, at times with tears;
And countless are the little prayers
I've breathed upon you unawares.

But you've changed, so very much,
You shiver at my slightest touch,
Old ironing board, your day is done.
I'll have to buy another one.

Daily Astrology

TUESDAY, AUG. 11, 1959

Today's Quotation: "We always love those who admire us, and we do not always love those whom we admire." — La Rochefoucauld.

Tuesday—for Everyone: Take care of duties and responsibilities conscientiously. Avoid incurring the disapproval of elders or those who wield power. Make the evening a relaxing, happy time; be with those whom you enjoy and trust.

Look for Your Birthdate and Birthsign Below

March 21 to April 19 (Aries) — Call in moneys due. Allow others to reach for the check; don't dim prestige.

April 20 to May 20 (Taurus) — Others lead today; be a willing follower; adjust progress to conditions. Turn down hazardous ventures.

May 21 to June 20 (Gemini) — Clear the slate of chores promptly; be free to step out with companions in evening, but limit spending.

June 21 to July 22 (Cancer) — Relish unexpected pleasures; banish gloom, anxiety. Be sympathetic with partners, old folk.

July 23 to Aug. 22 (Leo) — Circumvent friction over funds, by-gone events. Bide your time; be forebearing, hospitable.

Aug. 23 to Sept. 22 (Virgo) — Bank on thrift, perseverance today. Show up to advantage; put a good face on things.

Sept. 23 to Oct. 22 (Libra) — Concentrate energies on making possessions more valuable, attractive. Play safe.

Oct. 23 to Nov. 21 (Scorpio) — Demonstrate initiative, authority. Stay in good graces of community leaders, older people.

Nov. 22 to Dec. 21 (Sagittarius) — Clues to dilemmas are found where least expected. Finish chores; consolidate gains.

Dec. 22 to Jan. 19 (Capricorn) — Bear rebuffs with good humor in order to forge ahead and hold your lead. Be friendly, out-going.

Jan. 20 to Feb. 18 (Aquarius) — Be diplomatic in matters involving higher-ups, parental interests, and you will make progress.

Feb. 19 to March 20 (Pisces) — Promote advanced, novel projects. Visitors, loved ones should afford unexpected pleasure.

Planning Ahead — Good for sociability, entertaining, etc.: Aug. 13, 14, 22; afternoon and evening of the 28, 29, 31.

UPLANDS

Designed by a well-known architect, and built three years ago for the present owners, we believe this to be one of the outstanding homes in this desirable area. The approach is by a black-topped circular driveway flanked by excellent rock-work and shrubs. The entire property has been professionally landscaped and is simply beautiful. The construction of the storey and a half residence is a combination of Roman brick, stucco cedar siding with a roof of heavy cedar shakes. The whole effect is very pleasing. There are three bedrooms, lovely living room, dining room, conservatory, panelled den, two complete bathrooms with colored fixtures, hobby room and an excellent kitchen with dinette and utility room. The heating is hot water oil and is the best unit obtainable. Two-car garage. All floors except the kitchen and bathrooms are covered with costly wall-to-wall carpets over rubber cushion. There are many outstanding features such as silent switches throughout, extension phone ports in six different locations, costly light fixtures. Numerous well thought out cupboards, etc. It is very evident that in the planning and the design no expense was spared to make this a home for convenient living. Exclusive listing. Price $60,000

**LUXURY
RETIREMENT
HOME**

Truly one of the finest retirement homes this beautiful city has to offer. Located on choice high ground in Oak Bay and facing southeast, every room in this 7-year-old house is blessed with magnificent and unobstructed views. The interior floor plan is excellent and rooms are as follows: Large living and dining rooms with expensive wall-to-wall carpeting, mahogany panelling, RT fireplace, coved ceilings, etc. Off the living room is a beautiful enclosed porch patio with sliding glass doors that lead down cement steps to secluded garden. The kitchen is a step saver with space for all utilities and is complete with garbarator and attractive breakfast area. The hallway is nicely carpeted and leads to large bedroom with twin cupboards and W-to-W carpet. The bathroom is spacious, has colored fixtures and built-in vanity. The den is panelled, carpeted and has attractive fireplace. The basement is full size with asphalt-tile floors and lined walls. The heating plant is General Electric oil furnace. The whole house is completely insulated. There is a double garage on the property and the garden is a sight to behold—the private formal section being fenced and having an attractive patio area. We do not know of a cleaner home in the city of Victoria. It is a pleasure to offer this property at the realistic price of $29,500

Billy Wallace Still Around

Old Romance Reviving For Gay Princess?

LONDON (AP) — An old romance may be reviving in the gay life of Princess Margaret, who will be 29 Aug. 21. At least rumors of it are reviving.

The young man involved in the fresh whispers is Billy Wallace, a commoner.

Some people think that the coming of another baby to Queen Elizabeth, Margaret's sister, will make it easier for Margaret to marry a commoner.

Bachelor Billy Wallace is the charming six-foot four-inch son of Mrs. Herbert Agar. His father was the late Capt. Euan Wallace, a millionaire. Mrs. Agar's husband and Billy's stepfather is the distinguished American publisher and author, Herbert Agar, who makes his home in Britain.

The pretty princess is extremely fond of Billy. They have known one another almost since early childhood.

At one time—in their teens—they were in love.

"Perhaps they knew one another too well," said a friend. "The romance just wore off."

Margaret's circle of young men friends widened, but Wallace was always included.

Two years ago a London newspaper gave its front page to a story that they were engaged.

Margaret and Billy were laughing about the story over the telephone, it is reported.

"Who's that?" asked the Queen who was in the room.

"It's Billy," said the princess.

"He says some newspapers got us engaged."

Gold Cup Leaves Seattle

Maverick Wins Speedboat Race

SEATTLE (AP) — Cowboy Bill Stead rode the unruly Maverick of Lake Mead, Nev., to victory Sunday in the Gold Cup speedboat race and his churning wake left Seattle drenched in sorrow.

Only one other time in 10 years has this hydroplane-happy city lost the Gold Cup —in 1956, when it moved to Detroit. The winner designates the site for the next race and William Waggoner of Phoenix, who owns the Maverick, is expected to set the defence for Lake Mead, where he bases the boat.

Stead's margin of victory over a local favorite — Bill Muncey in Miss Thriftway— was so small the unlimited hydroplane race was over for two hours before officials came up with the decision. Most of the crowd, estimated at more than 250,000, waited for the announcement.

At the end of 90 miles of racing Stead and Muncey were tied in points, each with 1,325. Maverick was given the cup because she made the run 13.3 seconds faster than did Miss Thriftway, a Washington, D.C., entry. Nitrogen, placed third with 714 points and Wahoo of Seattle was fourth with 700.

Miss Spokane was fifth with 691, followed by Miss Pay 'N' Save, Seattle, 616; Gale VI, Detroit, 469; Miss U.S. I, Detroit, 400; Miss Seattle, 352; Hawaii Kai III, the defending champion, 300; Gale V, Detroit, 240, and KOL-Roy, Seattle, 127.

Thriftway won heat 2-A and Maverick heat 2-B to give them a wide edge on the field as the seven leading boats went into the final heat. Lightning fast on the straightaways, Maverick was cranky on the turns and once in the last heat Stead had to circle back around a missed buoy.

He was badly pocketed at the start and ran fourth most of the way behind Wahoo, Miss Spokane and Thriftway. Part of the post-race delay came while officials scanned motion pictures of the start and then ruled Miss Spokane had jumped the starting gun. It dropped her to fifth place in the heat.

That disqualification gave Maverick third place in the heat and points enough for the tie with Thriftway.

Lund Race To Ferguson Of Vancouver

Jack Ferguson, a 140-pound youngster from Vancouver Bicycle Club, became the first winner of the Gary Lund Memorial Trophy Sunday as he won the 100-mile bike race from Little Qualicum River to Portage Inlet in four hours, 24 minutes, 15 seconds.

Ferguson, 19, finished with a two-minute margin over Attilio Chiminello who beat out clubmate Angelo Pegorara by half a length. Ferguson's time was more than five minutes better than that of Bob Tetzlaff of Los Angeles in last year's Centennial race.

Mr. and Mrs. Lee Lund, parents of Gary Lund, presented trophies to the first three finishers. Gary Lund, second to Tetzlaff in the Centennial race, was killed in an automobile accident last year.

Tin Miners Don't Get Pimples

Because Cornish tin miners appeared to avoid skin blemishes, British chemists suggested the use of tin in treating Boils, Acne, Pimples.

Now convenient, tasteless tablets containing 42.5% metallic tin are available under the brand name "Tinoxid." Rapid, satisfactory results are claimed for this inexpensive treatment.

Tinoxid Tablets are sold without prescription at all drug stores, $1.00.

THE CORPORATION OF THE DISTRICT OF SAANICH

BY-LAW NO. 1513

A BY-LAW

TO PROVIDE FOR THE INSTALLATION OF A SEWAGE TREATMENT PLANT, TRUNK MAINS AND OTHER INCIDENTAL WORKS WITHIN A PORTION OF THE MUNICIPALITY OF SAANICH AND TO BORROW THE SUM OF $28,500.00 THEREFOR.

WHEREAS Section 617 of the Municipal Act (R.S.B.C. 1957, Chapter 42) provides that the Council of a district municipality may, by by-law undertake any work or service coming within the powers of the municipality for the special benefit of a specified area of the municipality,

AND WHEREAS it is provided by Section 619 of the said Municipal Act that the Council may extend the boundaries of a specified area by by-law approved by the Lieutenant-Governor in Council, in which case the liabilities incurred on behalf of the area as it was before enlargement shall be borne by all the owners of parcels of land in the area as enlarged,

AND WHEREAS it is deemed desirable and expedient to construct, operate and maintain a sewage treatment plant, trunk mains and other incidental works for the special benefit of that area of the Municipality of Saanich herein defined, in accordance with the plans and specifications prepared by Steele, Barber and Associates Engineering Limited, and to enlarge the said area from time to time as may be considered expedient,

AND WHEREAS a provisional certificate of approval with respect to the said works has been received from the Provincial Health Officer,

AND WHEREAS the Council deems it just that the entire cost of the work including by-law expense and the discount, if any, on the sale of the debentures shall be borne by the lands within the said area,

AND WHEREAS the estimated cost of the work is as follows:
Installation of sewage treatment plant, trunk mains and other incidental works; and purchase of land for the site of treatment plant $26,895.00
By-law expense, including an allowance for discount on the sale of debentures 1,605.00

Making a total of $28,500.00
which is the amount of the debt intended to be created by this by-law.

AND WHEREAS the amount of the assessed value for general municipal purposes of the taxable land and improvements within the municipality for the current year and for the two years immediately preceding the year in which the debt is created is:
1957 $57,868,559.00 1958 $67,301,005.00 1959 $76,371,553.00

AND WHEREAS the amount of the assessed value for general municipal purposes of the taxable land and improvements within the said area of the municipality, according to the revised assessment roll for the year 1959 is:
Land $39,475.00 Improvements $ NIL

AND WHEREAS the existing debenture debt of the Corporation is $4,445,113.24 of which none of the principal and interest is in arrears,

AND WHEREAS the depreciated value as at the 31st day of December, 1958, of the Waterworks system for which this Municipality possesses a subsisting Certificate of Self-liquidation granted by the Inspector of Municipalities is $1,428,526.00.

AND WHEREAS the approval of the Inspector of Municipalities has been obtained,

THEREFORE the Municipal Council of The Corporation of The District of Saanich enacts as follows:

1. The specified area of the Municipality for the special benefit of which the hereinafter works are authorized to be constructed is hereby defined as follows:
All that area in Section 65, Victoria District, more particularly described as: Lots 1 to 48 inclusive, Plan 12733; Lot 1, Plan 4005, except those parts thereof included in Plan 12053 and Plan 12733; Lot 1, Plan 3174 and Lots 11 and 12, Plan 2611, hereinafter referred to as "Chesterlea Sewage Treatment Plant Area."
2. The Council is hereby authorized and empowered to construct, operate, and maintain, the following works for the special benefit of "Chesterlea Sewage Treatment Plant Area",
sewage treatment plant, trunk mains and other incidental works, all in accordance with the plans and specifications prepared by Steele, Barber and Associates Engineering Limited.
3. The Council is hereby authorized and empowered to acquire all real property, easements, rights-of-way and authorities which may be required in connection with the said works, including the purchase of land for the site of the sewage treatment plant,
4. The whole of the cost of the said works, including by-law and debenture expense, together with the operation and maintenance thereof, shall be borne by the lands within "Chesterlea Sewage Treatment Plant Area."
5. For the purpose of the said works and with the object aforesaid, there shall be borrowed upon the credit of The Corporation of the District of Saanich the sum of Twenty-eight Thousand Five Hundred and 00/100 Dollars ($28,500.00) and debentures shall be issued therefor in sums of not less than One Hundred Dollars ($100.00) each, having coupons attached thereto for the payment of interest half yearly on the first day of March and the first day of September in each year during the currency thereof.
6. The said debentures shall bear interest at a rate or rates not exceeding six per centum (6%) per annum which rate or rates shall be set by by-law and any such by-law or by-laws shall specify a specific sum to be provided in each year during the currency of the debentures for the payment of the interest as set by the said by-law or by-laws. The said by-law or by-laws when adopted shall be read in conjunction with and be considered an extension of this by-law.
7. No debentures shall be issued pursuant to this by-law unless and until the payment of the said debentures and the interest thereon shall be guaranteed by the Province of British Columbia.
8. The said debentures shall be dated the 1st day of September, 1959, and shall be payable on the 1st day of September in each of the years 1960 to 1979 inclusive, as set forth hereunder:

Year	Amount of Debentures Payable	Year	Amount of Debentures Payable
1960	$ 500.00	1970	$ 1,500.00
1961	500.00	1971	1,500.00

1967	1,000.00	1977	2,000.00
1968	1,500.00	1978	2,000.00
1969	1,500.00	1979	2,000.00
			$28,500.00

9. The said debentures, as to both principal and interest, shall be expressed in Canadian currency, and the said principal and interest shall be payable at the principal office of the Bank of Montreal in any of the cities of Victoria or Vancouver, British Columbia; Toronto, Ontario or Montreal, Quebec, Canada.
10. The Reeve of The Corporation shall sign and issue the debentures and interest coupons, and the same shall also be signed by the Treasurer of the Corporation, but the signatures on the coupons may be stamped, printed, or lithographed, and the debentures shall be sealed with the seal of the Corporation.
11. The said debentures shall contain provision for registration as to principal.
12. The Council shall in each year during the currency of the debentures or any of them, ascertain the extent, if any, to which the proceeds of consumer rents and charges and other charges for the use of the facilities to be constructed under the provisions of this by-law are insufficient for the purpose of meeting the payments of principal and interest in that year on the debt hereby created and the cost of operating and maintaining the works and shall levy at the same time and in the same manner as other rates a rate over and above all other rates upon the lands subject to taxation for general municipal purposes within the said "Chesterlea Sewage Treatment Plant Area" sufficient to meet such insufficiency.
13. The said special rate and charges hereby levied shall be due and payable at the office of the Collector of The Corporation of the District of Saanich, Municipal Hall, Royal Oak, British Columbia, on the second (2nd) day of January each year and shall be subject to all the like incidents as are ordinary taxes upon land.
14. The Council may, from time to time, by by-law extend the boundaries of "Chesterlea Sewage Treatment Plant Area" and in the event of such extension or extensions the liabilities incurred on behalf of "Chesterlea Sewage Treatment Plant Area" with respect to the works set out in this by-law shall be borne by all the owners of parcels of land in "Chesterlea Sewage Treatment Plant Area" as enlarged.
15. This by-law shall be effective on the date that it is adopted by the Council.
16. This By-law may be cited for all purposes as the "Chesterlea Sewage Treatment Plan Area By-law, 1959."

Passed by the Municipal Council on the twentieth day of July, 1959.

TAKE NOTICE that the above is a true copy of the proposed by-law upon which the vote of the owner-electors of "Chesterlea Sewage Treatment Plant Area" will be taken at the Municipal Hall, Royal Oak, on the 26th day of August, 1959, between the hours of eight o'clock in the forenoon and eight o'clock in the afternoon and that the undersigned has been appointed Returning Officer for the purpose of taking and recording the vote of the owner-electors.

Dated at Royal Oak, B.C., this seventh day of August, 1959.

ALAN W. FORD, Acting Municipal Clerk.

BY-LAW NO. 1514

A BY-LAW

TO PROVIDE FOR THE INSTALLATION OF SEWER LATERALS AND OTHER INCIDENTAL WORKS WITHIN A PORTION OF THE MUNICIPALITY OF SAANICH.

WHEREAS Section 617 of the Municipal Act (R.S.B.C. 1957, Chapter 42) provides that the Council of a district municipality may, by by-law undertake any work or service coming within the powers of the municipality for the special benefit of a specified area of the municipality,

AND WHEREAS it is deemed desirable and expedient to construct, operate and maintain a system of sewer laterals, sewer connections from laterals to property lines and other incidental works for the special benefit of that area of the Municipality of Saanich herein defined, in accordance with the plans and specifications prepared by Steele, Barber and Associates Engineering Limited,

AND WHEREAS a provisional certificate of approval with respect to the said works has been received from the Provincial Health Officer,

AND WHEREAS the Council deems it just that the entire cost of the work including by-law expense shall be borne by the lands within the said area,

AND WHEREAS the estimated cost of the work is as follows:
Installation of sewer laterals, sewer connections and incidental works $14,516.00
By-law expense 200.00
$14,716.00

AND WHEREAS the amount of the assessed value for general municipal purposes of the taxable land and improvements within the municipality for the current year and for the two years immediately preceding the year in which the debt is created is:
1957 $57,868,559.00 1958 $67,301,005.00 1959 $76,371,553.00

AND WHEREAS the amount of the assessed value for general municipal purposes of the taxable land and improvements within the said area of the municipality, according to the revised assessment roll for the year 1959 is:
Land $36,715.00 Improvements Nil

AND WHEREAS the existing debenture debt of the Corporation is $4,445,113.24 of which none of the principal and interest is in arrears,

THEREFORE the Municipal Council of The Corporation of the District of Saanich enacts as follows:

1. The specified area of the Municipality for the special benefit of which the hereinafter works are authorized to be constructed is hereby defined as follows:
All that area in Section 65, Victoria District, more particularly described as Lots 1 to 48, both inclusive, Plan 12733, and Lot 1, Plan 4005, except those parts thereof included within the boundaries of Plan 12053 and Plan 12733, hereinafter referred to as "Chesterlea Sewer Lateral Area."
2. The Council is hereby authorized and empowered to construct, operate and maintain the following works for the special benefit of "Chesterlea Sewer Lateral Area":
Sewer laterals and incidental works, including sewer connections from the laterals to the property lines of Lots 1 to 48 both inclusive, Plan 12733, all in accordance with plans and specifications prepared by Barber, Steele and Associates Engineering Limited.
3. The Council is hereby authorized and empowered to acquire all real property, easements, rights-of-way and authorities which may be required in connection with the said works.
4. The whole of the cost of the said works, including by-law expense, together with the operation and maintenance thereof, shall be borne by the lands within "Chesterlea Sewer Lateral Area."
5. For the purpose of the said works and with the object aforesaid, the Council may advance from the general funds of the Municipality any sums required pending the collection of any rate, tax or charge levied under this by-law, and recoup the general funds of the Corporation when the said rates, taxes or charges are collected.
6. The said sum of $14,716.00 shall be recouped in the manner following:
The collector shall add to the Collector's Roll for the year 1960 with respect to the lands in "Chesterlea Sewer Lateral Area" over and above all other rates the following special charges:
With respect to Lot 1, Plan 4005, except those parts thereof included within the boundaries of Plan 12053 and Plan 12733, 12% of the cost of the said works, and with respect to Lots 1 to 48 both inclusive, Plan 12733, 88% of the cost of the said works, the said 88% to be divided equally among each of the said Lots 1 to 48.
7. The Council shall, in each year ascertain the extent, if any, to which the proceeds of consumer rents and charges and other charges for the use of the facilities to be constructed under this By-law are insufficient for the purpose of meeting the cost of operating and maintaining the works, and shall levy at the same time and in the same manner as other rates a rate over and above all other rates upon the lands subject to taxation for general municipal purposes within the said "Chesterlea Sewer Lateral Area" sufficient to meet such insufficiency.
8. The said special rate and charges hereby levied shall be due and payable at the office of the Collector of The Corporation of the District of Saanich, Municipal Hall, Royal Oak, British Columbia, on the second (2nd) day of January each year and shall be subject to all the like incidents as are ordinary taxes upon land.
9. This By-law shall be effective on the date that it is adopted by the Council, provided however that if By-law No. 1513, being the "Chesterlea Sewage Treatment Plant Area By-law, 1959", is not passed by the owner-electors of "Chesterlea Sewage Treatment Plant Area," this By-law shall be of no effect.
10. This By-law may be cited for all purposes as the "Chesterlea Sewer Lateral Area By-law, 1959."

Passed by the Municipal Council on the tenth day of August, 1959.

TAKE NOTICE that the above is a true copy of the proposed by-law upon which the vote of the owner-electors of "Chesterlea Sewer Lateral Area" will be taken at the Municipal Hall, Royal Oak, on the 26th day of August, 1959, between the hours of eight o'clock in the forenoon and eight o'clock in the afternoon and that the undersigned has been appointed Returning Officer for the purpose of taking and recording the vote of the owner-electors.

Dated at Royal Oak, B.C., this eleventh day of August, 1959.

hereinafter referred to as "Northridge Sewage Treatment Plant Area."
2. The Council is hereby authorized and empowered to construct, operate, and maintain, the following works for the special benefit of "Northridge Sewage Treatment Plant Area",
sewage treatment plant, trunk mains and other incidental works, all in accordance with the plans and specifications prepared by A. R. Colby, P.Eng.
3. The Council is hereby authorized and empowered to acquire all real property, easements, rights-of-way and authorities which may be required in connection with the said works.
4. The whole of the cost of the said works, including by-law and debenture expense, together with the operation and maintenance thereof, shall be borne by the lands within "Northridge Sewage Treatment Plant Area."
5. For the purpose of the said works and with the object aforesaid, there shall be borrowed upon the credit of The Corporation of the District of Saanich the sum of Thirteen Thousand Dollars ($13,000.00); debentures shall be issued therefor in sums of not less than One Hundred Dollars ($100.00) each, having coupons attached thereto for the payment of interest half yearly on the first day of March and the first day of September in each year during the currency thereof.
6. The said debentures shall bear interest at a rate or rates not exceeding six per centum (6%) per annum which rate or rates shall be set by by-law and any such by-law or by-laws shall specify a specific sum to be provided in each year during the currency of the debentures for the payment of the interest as set by the said by-law or by-laws. The said by-law or by-laws when adopted shall be read in conjunction with and be considered an extension of this by-law.
7. No debentures shall be issued pursuant to this by-law unless and until the payment of the said debentures and interest thereon shall be guaranteed by the Province of British Columbia.
8. The said debentures shall be dated the 1st day of September, 1959, and shall be payable on the 1st day of September in each of the years 1960, to 1979 inclusive, as set forth hereunder:

1970	500.00		$13,000.00

9. The said debentures, as to both principal and interest, shall be expressed in Canadian currency, and the said principal and interest shall be payable at the principal office of the Bank of Montreal in any of the cities of Victoria or Vancouver, British Columbia; Toronto, Ontario; or Montreal, Quebec; Canada.
10. The Reeve of the Corporation shall sign and issue the debentures and interest coupons, and the same shall also be signed by the Treasurer of The Corporation, but the signatures on the coupons may be stamped, printed or lithographed, and the debentures shall be sealed with the seal of the Corporation.
11. The said debentures shall contain provision for registration as to principal.
12. The Council shall be in each year during the currency of the debentures or any of them, ascertain the extent, if any, to which the proceeds of consumer rents and charges and other charges for the use of the facilities to be constructed under the provisions of this by-law are insufficient for the purpose of meeting the payments of principal and interest in that year on the debt hereby created and the cost of operating and maintaining the works and shall levy at the same time and in the same manner as other rates a rate over and above all other rates upon the lands subject to taxation for general municipal purposes within the said "Northridge Sewage Treatment Plant Area" sufficient to meet such insufficiency.
13. The said special rate and charges hereby levied shall be due and payable at the office of the Collector of The Corporation of the District of Saanich, Municipal Hall, Royal Oak, British Columbia, on the second (2nd) day of January each year and shall be subject to all the like incidents as are ordinary taxes upon land.
14. The Council may, from time to time, by by-law extend the boundaries of "Northridge Sewage Treatment Plant Area" and in the event of such extension or extensions the liabilities incurred on behalf of "Northridge Sewage Treatment Plant Area" with respect to the works set out in this By-law shall be borne by all the owners of parcels of land in "Northridge Sewage Treatment Plant Area" as enlarged.
15. This By-law shall be effective on the date that it is adopted by the Council.
16. This By-law may be cited for all purposes as the "Northridge Sewage Treatment Plant Area By-law, 1959."

Passed by the Municipal Council on the twentieth day of July, 1959.

TAKE NOTICE that the above is a true copy of the proposed by-law upon which the vote of the owner-electors of "Northridge Sewage Treatment Plant Area" will be taken at the Municipal Hall, Royal Oak, on the 26th day of August, 1959, between the hours of eight o'clock in the forenoon and eight o'clock in the afternoon and that the undersigned has been appointed Returning Officer for the purpose of taking and recording the vote of the owner-electors.

Dated at Royal Oak, B.C., this seventh day of August, 1959.

10. The Reeve of The Corporation shall sign and issue the debentures and interest coupons, and the same shall also be signed by the Treasurer of The Corporation, but the signatures on the coupons may be stamped, printed or lithographed, and the debentures shall be sealed with the seal of the Corporation.
11. The said debentures shall contain provision for registration as to principal.
12. The Council shall in each year during the currency of the debentures or any of them, ascertain the extent, if any, to which the proceeds of consumer rents and charges and other charges for the use of the facilities to be constructed under the provisions of this by-law are insufficient for the purpose of meeting the payments of principal and interest in that year on the debt hereby created and the cost of operating and maintaining the works and shall levy at the same time and in the same manner as other rates a rate over and above all other rates upon the lands subject to taxation for general municipal purposes within the said "Montclaire Sewer Lateral Area" sufficient to meet such insufficiency.
13. The said special rate and charges hereby levied shall be due and payable at the office of the Collector of The Corporation of the District of Saanich, Municipal Hall, Royal Oak, British Columbia, on the second (2nd) day of January each year and shall be subject to all the like incidents as are ordinary taxes upon land.
14. This By-law shall be effective on the date that it is adopted by the Council provided, however, that if By-law No. 1520 being the "Montclaire Sewage Treatment Plant Area By-Law, 1959" is not passed by the owner-electors of "Montclaire Sewage Treatment Plant Area," this by-law shall be of no effect.
15. This By-law may be cited for all purposes as the "Montclaire Sewer Lateral Area By-law, 1959."

Passed by the Municipal Council on the twentieth day of July, 1959.

TAKE NOTICE that the above is a true copy of the proposed by-law upon which the vote of the owner-electors of "Montclaire Sewer Lateral Area" will be taken at the Municipal Hall, Royal Oak, on the 26th day of August, 1959, between the hours of eight o'clock in the forenoon and eight o'clock in the afternoon and that the undersigned has been appointed Returning Officer for the purpose of taking and recording the vote of the owner-electors.

Dated at Royal Oak, B.C., this seventh day of August, 1959.

Port Alberni Blaze Damage $100,000

Damage in a roaring blaze which Saturday night destroyed the Connelly Block on Third Avenue North in Port Alberni may amount to $100,000, fire chief W. P. Venables said yesterday. More than 2,000 telephones were put out of service when nearby lines and poles were destroyed. Fat overflowing onto the stove in the kitchen of a cafe in the building was cause of the blaze, the chief said. — (Kevan van Herd photo.)

New Road Pioneer in Hospital

'Daredevil' Smith's Protest Thwarted by Sudden Illness

DUNCAN—"Daredevil" Ray Smith of Cowichan Station who lost his highways construction job after driving over the unfinished Alberni-Ucluelet road is in King's Daughters' Hospital in Duncan.

Hospital authorities said he was in fair condition after he was taken to hospital bleeding from the mouth, Saturday. They said cause of the hemorhage would not be certain until an X-ray report was received today, but described him as "not on the dangerously ill list."

Smith was due in Victoria yesterday in a self-avowed plan to protest to Highways Minister P. A. Gaglardi about the firing.

The 22-year-old former Victoria resident believes he was unjustly fired by a road construction firm after highways department and forest company officials "put on pressure" after he drove over the uncompleted road.

He is still determined to see the highways minister when he "gets well."

He admits he did a daredevil thing when he drove over the road to the West Coast to collect a $10 bet he had made with one of his chums. Most dangerous feat was driving on the stringers of an unfinished bridge.

Alderman Critic of CBC To Say His Piece Officially

DUNCAN—Ald. Steve Saunders who said he has "tangled" with the Canadian Broadcasting Corporation over church programming will probably get an official chance to criticize, as one of 15 Cowichan residents to be invited to comment on the CBC's year-round programming.

Cows Gang Up On Cormorant

FULFORD HARBOR—Dogs prey on cats and cats prey on mice, but natural history probably does not record another case of cows preying on a cormorant.

Whether the cows would have eaten the cormorant is doubtful, but they were certainly bent on giving it a hard time, before all the commotion brought a Fulford Harbor couple, Capt. and Mrs. L. B. D. Drummond, to the rescue.

The cows had chased the exhausted seabird around the pasture and finally had it at bay, ringed by horned heads and hard hooves.

The Drummonds took the ailing bird to their home where they discovered it had been banded by the U.S. Fish and Wildlife Service, and bedded it down in a box last night.

Today they reported it slightly improved, but still dazed and apparently in a state of exhaustion.

New Minister Inducted

GANGES—Daryl Logan, 26, son of Mr. and Mrs. E. R. Logan, Victoria, was inducted as lay minister in charge of work on Salt Spring Island and at a Ganges United Church ceremony.

Rev. C. H. Whitmore, Sidney, was the officiating minister for the Victoria Presbytery and conducted the service of worship and the induction charge.

Mr. Logan has been taking the United Church services at Crofton for 12 months.

Pender Island Gets Ferry Service Boost

FULFORD HARBOR — Additional summer ferry service for Pender Island on Mondays and Thursdays was announced yesterday by an official of Gulf Islands Ferries.

On these two days the Mv Motor Princess will leave Fulford Harbor at 6.20 a.m. for Port Washington on Pender Island, and leave on its return to Fulford at 7.20 in time for its first regular run to Swartz Bay at 8.20 a.m.

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

Toronto, Ont. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished quickly and without discomfort of any kind. This new tablet does its work internally, through the blood stream. It deposits into every drop of blood plasma a medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan Tablets. Dristan Tablets cost only $1.25 for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

Comedian Lifts Pinkie to Try Victoria Tea

With "pinkie" elegantly extended, comedian Bob Hope enjoyed a cup of tea in a Victoria restaurant yesterday afternoon during a sightseeing tour of the city. Hope, with his wife Dolores, was on his way to Qualicum Beach for a three-day holiday. Restaurant man Paul Arsens was amused at his famous customer. See story on Page 11.—(Colonist photo.)

McELROY BRINGING DEFENCE SECRETS

Ottawa Talks to Deal With Broad Aspects

OTTAWA (CP)—Secrets of North American defence in its broad aspects will be discussed here today by Defence Minister Pearkes and United States Defence Secretary Neil McElroy.

★ ★ ★

Mr. McElroy, who will hold a brief press conference soon after his arrival, will be accompanied by assistant secretary Thomas S. Gates who recently succeeded the late Donald Quarles.

KEY OFFICIAL

Canadian officials are anxious to get acquainted with Mr. Gates because he's the man chiefly responsible in the U. S. defence department for defence production-sharing arrangements with Canada.

REPORTS DENIED

Mr. Pearkes Monday discounted Washington reports that he would discuss with Mr. McElroy relocation of American Bomarc anti-aircraft missile bases in Canada.

NOT CONTEMPLATED

He told reporters that he has received no information that the U. S. is considering such a change or that Mr. McElroy wants to discuss it. In any event, relocation of Bomarc sites would mean a major reorganization of North American defence plans and relocation of the entire Pinetree radar control system in southern Canada.

WITHIN U.S.

Mr. McElroy said in Washington last week he would discuss with Mr. Pearkes development of Bomarc bases. But he was referring to deployment within the U.S. occasioned by Congress' reduction in Bomarc expenditures.

In a reaffirmation of a long-standing Canadian policy, Mr. Pearkes said Canada would not have any American defence installations in Canada of purely U.S. concern.

TV Fans Park To Peek

DUNDAS, Ont. (UPI) — Four residents of Ogilvie Street complained Monday that parking meters 30 inches from their houses resulted in motorists parking to watch television through living room windows.

Mrs. Ed Sund told police motorists were using the meters to park and watch a TV show for "sometimes a full hour." James Heffernan said one man parked in front of the meter Saturday and watched most of the baseball game.

The residents were demanding that the meters be removed immediately.

GOVERNOR-GENERAL MASSEY

Farewell Tour Off

Ailing Massey Getting Better

PORT HOPE, Ont. (UPI)—Doctors said last night that Governor-General Vincent Massey may be allowed out of bed for "an hour or so" this afternoon, and that he was recovering rapidly from an illness which forced cancellation of a tour of northwestern Canada.

Mr. Massey was reported in good condition last night, following the announcement earlier that the tour was called off on doctor's orders.

The 72-year-old retiring governor-general has been suffering from a kidney infection which has confined him to bed at his Batterwood summer home for the past five days. His temperature dropped to normal for the first time yesterday.

The vice-regal physician, Dr. Peter Burton of Ottawa, has returned to the capital, after twice being summoned to his bedside.

Lionel Massey, the governor-general's son and personal secretary, said no medical bulletins would be issued unless his father took an unexpected turn for the worse. He said Mr. Massey was not in pain and he was able to do some official work in bed.

The governor-general was expected to leave for the 5,000-mile "farewell" tour tomorrow. The tour was to have begun at Vancouver next Sunday.

500 Killed By Floods

TAIPEI, Formosa (UPI) — The waters of the worst floods in Formosa's recorded history receded yesterday, leaving at least 500 dead, 563 injured, and 541 missing.

An estimated 135,000 persons were left homeless by the raging waters brought on by torrential rains associated with typhoon Ellen.

Klan Invades South America

STOCKHOLM (AP)—The Ku Klux Klan is shipping anti-Semitic material from the U.S. to Brazil, Argentina and Chile, a spokesman for the World Jewish Congress said Monday.

But he claimed the KKK's role in distributing anti-Jewish literature around the world is a minor one.

IWA Seeks Aid

Feed Strikers Stores Asked

An IWA spokesman said here yesterday a union welfare committee is canvassing Victoria merchants for donations of "basic foodstuffs" for strikers and their families.

Jack McKenzie, business agent for IWA Local 1-118, said there has been no acute hardship among the families of some 1,500 Greater Victoria IWA strikers so far.

Canvassing of wholesalers and retailers began at the weekend.

He said response to the union's plea to help struck woodworkers has been "fairly good so far."

Some merchants had already volunteered donations to the IWA welfare committee before the canvass got underway, Mr. McKenzie said.

One of the first gifts to the committee consisted of 250 salmon donated by the United Fishermen and Allied Workers' Union.

He denied a report that the union has asked merchants for cash donations, but added that any offers of financial assistance would be gratefully accepted.

Food gathered by the committee so far includes potatoes and sugar.

"What we are after are the necessities," the union leader said.

Asked if strikers would lose appliances and automobiles whose purchase had been financed over an extended period, he said 'the companies have been extremely co-operative."

He singled out the B.C. Electric as another which had been "co-operative" over the matter of past-due bills.

The big utility company has not pressed strikers for overdue accounts, he added.

Articles donated to the strike welfare committee here will be distributed among local families "on the basis of need."

The IWA strike of some 27,000 coast woodworkers is in its sixth week. Most of the strikers got their last pay cheque July 2.

Target

A gunman who tried to assassinate Cuban army commander Raul Castro at a church wedding in Havana was seized before he could pull the trigger. Attempted assassination of Premier Fidel Castro's 28-year-old brother climaxed a weekend of violence. (See story on Page 3.)

$100,000,000

Research Program Scrapped

WASHINGTON (AP) — The United States air force Monday cancelled a $100,000,000 program for the development of chemical fuel for use in bombers and fighter-interceptors of the classes whose speeds exceeds 2,000 miles an hour.

The cancellation immediately raised speculation over the future of the multi-billion-dollar program for the B-70 chemical fuelled bomber known as the Valkyrie and the F-108 fighter interceptor designated the Rapier.

The cancellation will knock out operation of a new $45,000,000 chemical plant built by the Olin Mathieson Corporation at Model City N.Y., near Buffalo.

The air force officially notified Congress that the prime contract with the General Electric Company for the J93-5 engine had been cancelled. The engine was to be used in both the B-70 and F-108.

In Doukhobor Area

Arsonists Light 14 Forest Fires

TRAIL (CP)—Fourteen forest fires that broke out in the Castlegar-Slocan-Taghum area of southern interior B.C. Sunday were set by arsonists, the RCMP said yesterday.

Eight of the fires occurred in what generally is regarded as Sons of Freedom Doukhobor territory, five of them within two hours.

RCMP said there are some clues to the identity of the arsonists but they are insufficient to warrant arrests.

Forestry department crews, working under favorable weather conditions, were reported slowly bringing the fires under control.

Cpl. Ron Davidson of the RCMP detachment at Crescent Valley said each of the fires started after an explosion.

He said there is evidence to show that bottles filled with gasoline or some other volatile substance were exploded in the bush by electric or fuse detonator controlled by a timing device.

Violent Storm Hits U.K.

PLYMOUTH, England (AP) — A violent two-hour thunderstorm, described as the most spectacular in living memory, flooded much of Devon and Cornwall in southwest England Monday.

Water was three feet deep in the main street of Par, Cornwall.

At Newquay, 2½ inches of rain fell in half an hour.

Shoelace Kills Boy

PABOS MILLS, Que. (CP) —Arthur Grenier, 14, was found dead Monday in a ditch eight miles from his home. One of his shoelaces was tied around his neck.

Provincial police said "it looks like murder."

Police said the boy left his home Saturday night and failed to return.

Outstays Welcome

Playful Squirrel Rips Home to Bits

TORONTO (CP)—Mr. and Mrs. George Cruickshank aren't smiling any more at the playful squirrels that cavort about their street.

While they were vacationing last week one fell through the chimney of their home, chewed window frames and rugs, toppled potted plants and other objects, munched potatoes and generally created havoc.

When their son Barry returned home Saturday, the black squirrel bit him on the hand as he ushered it out. He was given an anti-tetanus shot as a precautionary measure.

Police sighted the squirrel in a backyard tree and shot it. The animal is being tested for possible rabies.

Alexandra Ends Visit To Victoria Today

Princess Alexandra will leave Patricia Bay Airport at 10.35 a.m. today for Vancouver on the first hop of a long air journey to Australia.

She leaves Government House at 9.45 a.m., arriving at the airport at 10.30.

Yesterday the princess ended an informal visit to Victoria area by shopping at a supermarket and going for a drive along the Malahat.

Drama Comes To Life

VANCOUVER (CP)—Movie patrons favored a rollicking real-life adventure in the seats and aisles around them over a fast-moving western here as police moved into an east-end theatre to arrest two men, suspected of possessing narcotics.

Police chased the suspects through the aisles and over seats of the balcony.

The chase started when seven RCMP and city drug squad officers made a routine check during the screening of a midnight movie early Monday.

When they attempted to interview a woman and two men in the balcony lobby, the men fled into the theatre.

She's Away More and More

Flipper's Well Fed Now

Flipper, the James Island orphan seal, is getting plenty to eat now after some hungry days.

Since "adoption" at the Joseph Askey home a month ago she has doubled in weight.

With the fishermen's strike over, her dietry problems are solved, but after newspaper stories told 10 days ago her need for six pounds of fish a day she never ran short anyway.

Before the strike fishboat scraps provided her food.

A Saanich dock owner offered all the herring she could eat—after he had removed strips for anglers' bait, of course.

Private yachts still drop anchor in front of the Askey home daily with offerings of fish for a chance to watch the baby seal in action—but Flipper is increasingly absent lately.

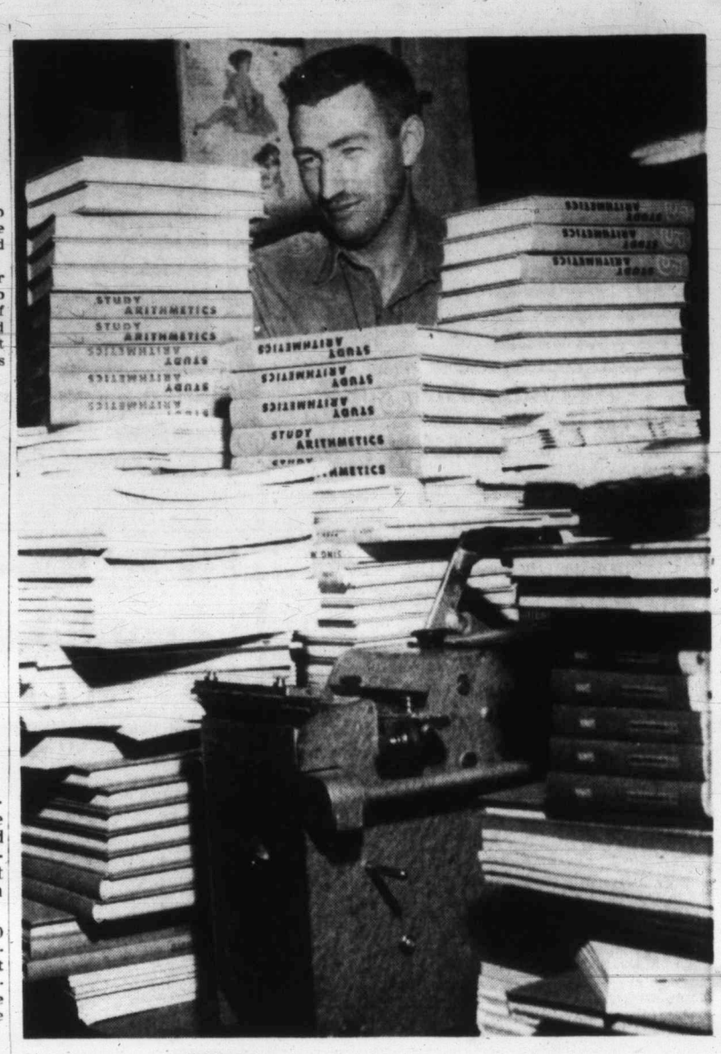

"She's learning to fish for herself," Mrs. Askey said last night.

"She spends more and more time away from home, but she always comes back at night."

"She comes back two or three times during the day as well, but we were pretty worried about her Sunday when she didn't come back by 10 p.m."

Flipper finally came, however, flapped her way up to a converted doghouse in the Askey backyard and bedded down for the night.

"We'll keep looking after her as long as she seems to need us," said the mother of the three boys who saved Flipper's life when she got stranded by the tide on James Island, July 19.

He's Handling Tons of Learning

Knowledge by the ton is handled during summer at textbook branch of education department on Menzies, where shipments of school books are unpacked, repacked into smaller containers usually containing about 60 pounds, and dispatched to individual schools throughout province. About 1,000,000 books will be sent out before school starts again. C. D. Thompson, 1255 Glyn Road, handles part of a daily load now running at between 15 and 20 tons.—(Colonist photo.)

Offers Fall Short

House-Moving Deal May Cost City $30,000

A venture into the house-moving and renovating business may cost Victoria city about $25,000 or $30,000, judging from results in a "mass open house" at seven city-owned houses at Queens and Chambers.

J. Donald Smith, whose firm conducted the open house, said last night he believed the best offers received on the houses would total about $60,000. The offers are scheduled to be transmitted to city hall today.

NEED NOT ACCEPT

City council need not accept the offers, but they are the first of any consequence received since the houses were put on sale through multiple listing.

Moving of six of the houses from the site of the new firehall on Yates and one from Caledonia Avenue, and renovating them, cost the city about $90,000. Originally, on the basis of a hurried estimate of moving and refurbishing costs, the city had hoped to make a profit of more than $15,000.

NOT OUT OF LINE

The Real Estate Board of Victoria appraised the reconditioned houses at $75,000 before they went on sale, but Mr. Smith said yesterday he didn't think the offers were out of line considering that buyers would have to spend more money to make the houses habitable.

FIRE ESCAPES

The three duplexes, he said, needed fire escapes; the garages would have to be fireproofed if the buyers wanted to use them, and hot water heaters would have to be installed in all the houses and perhaps electric stove wiring inside some.

Even if council takes an immediate loss on the houses, it will have some consolation. When they are sold, they will go back on the tax roll, and will be bringing in tax revenue the city would have lost if they had been torn down.

Winner of a $250 bursary in a PNE-sponsored province-wide vocational essay contest was Diana Dron, 18, 2744 Bowker. A graduate of Oak Bay High School, she won the award for her essay on "Medicine."

$10 Fine

Wasp 'Stings' Driver

SHAWNIGAN LAKE—A woman who said she rolled her car while trying to get a wasp out of it was fined $10 in court here yesterday when she pleaded guilty to a charge of careless driving.

The driver, Mrs. Margaret Cameron Lundeburg, Old Koksilah Road, near Duncan, appeared in court just after being released from hospital after suffering a broken jaw and other injuries.

Police laid the charge after the accident June 14 at Cobble Hill.

Plaques for Generosity

William Yardley, chairman of the Industrial and Commercial section of the Chest campaign committee displays plaques to be given to employee groups of firms employing 10 or more persons who donate their "full share" to the $325,000 Chest appeal. "Full share" is equal to 10 minutes pay a week for 52 weeks by 80 per cent of the staff.—(Colonist photo.)

To Keep a Promise

Wife Brings Bob Hope To Victoria

A 14-year-old promise was honored yesterday when comedian Bob Hope visited Victoria, on a Vancouver Island holiday.

The promise was made in July, 1945, when Mrs. Hope—Dolores—visited Victoria. She was so pleased with the city she promised to bring her husband with her next time she came.

And she did.

The Hope party spent a few hours in Victoria before leaving for Qualicum Beach. They will return to Victoria Friday.

With the Hopes are their adopted children, Tony, 19; Kelly, 12, and Nora, 12. Another daughter, Linda, is flying to Victoria to join them, Friday.

Although this is his first visit to Victoria, Bob Hope had heard a lot about it—he used to play golf with the late George Straith at Palm Springs.

ONE LIKES IT HOT

The Hopes stopped at a downtown restaurant before driving up-Island in a U-drive car. They all had tea, but Bob was the only one who drank it hot—the rest of the party had iced tea.

The comedian and party came to Victoria on the Princess Patricia from Seattle, where he was attending the annual Seafair carnival. Word was sent ahead from the ship to warn Canadian customs officers that a large quantity of luggage was on its way. Hope traditionally carries plenty of luggage on trips.

STRICT DIET

The much-travelled jester is on a strict diet and under his doctor's orders to slow down. His sight was threatened recently when a bloodclot developed in an eye.

The manager, who has been with Hope for 17 years, said the party planned a leisurely boating and fishing trip along the east coast of Vancouver Island, starting from the Victoria area, Friday or Saturday. They hope to cross the fishing trail of Bing Crosby and Phil Harris somewhere along the line.

At Qualicum Beach yesterday evening after the drive from Victoria in a rented car the comedian almost immediately went out on the golf course.

Duke Street

Shortage Of Water Protested

The water shortage issue boiled up again at Saanich council last night when councillors heard bitter complaints from three residents of drought-dry Duke Street.

Letters of complaint were received from Vivienne B. Fall, 1209 Duke; E. C. Duff Wilson, 1202 Duke, and Mr. H. R. Tipping, 1204 Duke.

BID FAILS

Mr. Tipping attended the meeting personally, and addressed councillors, but failed in an attempt to get an assurance that something will be done to alleviate the shortage.

The houses are on high land and are without water in the late afternoon and evening.

PROBE UNDERWAY

Mr. Tipping was told that a thorough investigation of Saanich's water system was being made and improvements are being made from time to time.

"Our problem isn't something that has just come up," he told council. "To my knowledge this is something that has been going on 10 years and I understand council has had letters about it over that time. Nothing has been done."

Homes Saved

Blaze Threat Foiled

Belmont naval fire department called for outside help when three occupied homes were threatened yesterday by a fire that swept across four acres of bush and grassland.

The fire started about 2.30 p.m. and swept over a sparsely-treed area south of Wilfert Road and the Old Island Highway. Firemen prevented the blaze from reaching the three homes.

COLWOOD VOLUNTEERS

Two trucks from the naval fire hall were bolstered by a pumper and a 25-man naval fire-fighting crew from HMCS Naden and by two trucks from Colwood volunteer fire department.

The area was still smouldering at 7.30 last night, and a naval spokesman said men would keep watch through the night to prevent a flareup.

STORAGE SHED BLAZE

A fire in a large storage shed at 2474 Millstream Road on Sunday evening caused an estimated $800 damage. Langford volunteer firemen prevented the flames from spreading to the home of J. A. MacIntosh, only eight feet away from the burning shed.

Saanich firemen spent about an hour at a bush fire in the 1200 block of Oakmount Road yesterday morning and attended at the home of Mrs. Alice Dobbin, 3287 Glasgow Avenue, where a plugged chimney caused smoke to belch out from the furnace.

Yachtsmen Get Ready For Two-Day Cruise

PORT ALBERNI—The second annual cruise of Alberni Valley boat clubs will take place, Aug. 15.

Leaving Alberni at 8 a.m. the group will cruise down Alberni Inlet, make an overnight stay on one of the islands in the sound, and return Sunday evening.

All skippers of pleasure craft are invited to bring their families and join the cruise. Anyone intending to take part in the event is asked to register by 7.30 p.m. Aug. 14. Registration may be made by telephoning William Kennedy, 3766 or 2394-Y; Don Reid, 1651-X; or Ray Buck, 2678-R-2.

Alberni Valley Boating Association and Great Central Boating Club are sponsoring the event, with more than 20 boats already registered.

Last year 16 took part in the expedition which included stops at Nahmint, Kildonan, Sarita and Bamfield with a picnic at Brady's Beach.

All boats will be checked for safety prior to sailing time.

CHEMAINUS—Jim Scantland, Red Cross examiner from Vancouver, conducted Red Cross swimming tests at Chemainus beach last Friday, Saturday and Sunday for the pupils of Mrs. Joan Knight and Larry Olafson from Saltair and the pupils of Alan Goldie and Donald Cook, swimming instructors at Chemainus.

Five boys, Garry Bolger, Dale Churchas, Louis Shelling, Terry O'Shea and Louis Schulson, and Dorothy Millard passed their tests for the bronze medallion of the Royal Lifesaving Society.

A total of 19 beginners, 15 juniors, nine intermediates and six seniors passed their tests successfully.

FULFORD HARBOR—Alexander John Mollet, 85, who died Wednesday at the Lady Minto Hospital at Ganges, was buried in the churchyard at St. Mary's Anglican Church, Friday, Archdeacon G. H. Holmes officiating.

Mr. Mollet had lived at Fulford Harbor since 1896.

DUNCAN—Cattle sold at public auction here improved in price during the week and are "bringing better prices" than those sold at Vancouver, says auctioneer T. J. Boyles.

Highest "above normal" price was paid for a fresh Ayrshire heifer sold for $195.

Other prices were: day-old Jersey calves, $3 to $10; Jersey heifer calves, $14; Holstein calves, $12 to $23; Ayrshire calves, $10 to $18; Holstein heifer calves, $32; yearling heeifer calves, $32; yearling Hereford bulls, $140; yearling Jersey heifers, $110; goats, $5 to $13; feeder pigs, $19 to $20.

He's Got Time To Plan His Wedding

DUNCAN — Philip Paul of Saanich was driving to Duncan to make arrangements for his wedding, he said, but he has been sidetracked.

Yesterday Magistrate A. C. Sutton sentenced him to 30 days in jail when he pleaded guilty to a charge of driving when his licence was suspended.

The jail term without option of a fine was imposed when police proved Paul had had his drivers' licence suspended in 1953. It was never reinstated because he could not prove financial responsibility.

Police said he also was convicted of impaired driving in Sidney last month.

Youth Given Last Chance

DUNCAN — A 16-year-old Victoria youth who drove a car that was not insured, received a severe reprimand in juvenile court here yesterday and was warned he would be sent to a detention home if he did not improve his behaviour.

He admitted appearing in a Victoria juvenile court recently on a similar charge and of being guilty.

COBBLE HILL—A promise of two more toilets for Sandy Beach at Bamberton has been received from Recreation Minister Earle Westwood.

The promise came after a complaint by George Bonner, president of the Vancouver Island Ratepayers' Association, of unsanitary conditions.

He said two small toilets at the beach were not enough for campers who were using the site.

Residents in the area are also asking for some sort of restrictions on campers using the beach—not a proper campsite.

Mr. Bonner said he investigated the reports Sunday of "filthy" conditions in the area and found that they were true.

DUNCAN—Queen Elizabeth was "touched" by the turnout of veterans when she and Prince Philip visited here July 16, wrote Lieut.-Governor Frank Ross to the city.

His letter was read out at a council meeting last night.

With it was a signed portrait of the royal couple which council is considering putting in the council chambers.

Jessoma Noble Jester, a Jersey bull once owned by Eaglecrest Estates of Qualicum Beach, has been named Silver Medal winner by the Canadian Jersey Cattle Club.

Jester's 14 tested daughters had the high average of 9,297 pounds of milk and 529 pounds of fat, with an average test of 5.69 per cent.

$21 in Silver Thieves' Loot

Thieves who broke into the Five-Minute Car Wash on Pandora Avenue early yesterday got away with about $21 in silver, city police were told yesterday.

The break-in, discovered at 1.25 a.m., was achieved by smashing an office window with a rock. The money was taken from a desk drawer.

Chest Miss Red Feather Ballyhoo Unwelcomed

Idea of a ceremony to name "Miss Red Feather" at the corner of Yates and Douglas on a busy Friday evening didn't appeal to city council finance committee yesterday.

The committee passed on to the Community Chest a suggestion from the police chief that the ceremony be on a "quiet corner," View and Broad.

The chest hopes to name a Miss Red Feather from candidates from member agencies on the evening of Sept. 25, a Friday, to start its fund campaign, the committee was informed.

Market Battle Still On

Back-to-the-wall efforts to save the doomed City Public Market from destruction by order of the city, are still being continued.

A meeting of the "Save the Market Society" is scheduled for 8 p.m. today in the Orange Hall, 725 Courtney. All those interested in saving the veteran market building from the wrecker's hammer are asked to attend.

"As long as the walls are standing we will keep struggling to keep them standing," longtime stall operator Attilio Randy, a leader in the fight to save the market building, said last night.

Exhaust Fumes Overcome Two Visiting Yachtsmen

CHEMAINUS—Two Vancouver men were hospitalized here last night with carbon monoxide poisoning after the exhaust system on their pleasure craft gave way.

Joe and Andy Potomak managed to bring their craft to Crofton following the breakdown, then both collapsed on the dock. Five other passengers in the boat were not seriously affected.

McElroy Bringing Defence Plans to Pearkes

SECRET TALKS START TODAY

Comedian Lifts Pinkie to Try Victoria Tea

With "pinkie" elegantly extended, comedian Bob Hope enjoyed a cup of tea in a Victoria restaurant yesterday afternoon during a sightseeing tour of the city. Hope, with his wife Dolores, was on his way to Qualicum Beach for a three-day holiday. Restaurant man Paul Arsens was amused at his famous customer. See story on Page 11.—(Colonist photo.)

TV Fans Park To Peek

DUNDAS, Ont. (UPI)—Four residents of Ogilvie Street complained Monday that parking meters 30 inches from their houses resulted in motorists parking to watch television through living room windows.

Mrs. Ed Sund told police motorists were using the meters to park and watch a TV show for "sometimes a full hour." James Heffernan said one man parked in front of the meter Saturday and watched most of the baseball game.

The residents were demanding that the meters be removed immediately.

GOVERNOR-GENERAL MASSEY

Farewell Tour Off

Ailing Massey Getting Better

PORT HOPE, Ont. (UPI)—Doctors said last night that Governor-General Vincent Massey may be allowed out of bed for "an hour or so" this afternoon, and that he was recovering rapidly from an illness which forced cancellation of a tour of northwestern Canada.

Mr. Massey was reported in good condition last night, following the announcement earlier that the tour was called off on doctor's orders.

The 72-year-old retiring governor-general has been suffering from a kidney infection which has confined him to bed at his Batterwood summer home for the past five days. His temperature dropped to normal for the first time yesterday.

The vice-regal physician, Dr. Peter Burton of Ottawa, has returned to the capital, after twice being summoned to his bedside.

Lionel Massey, the governor-general's son and personal secretary, said no medical bulletins would be issued unless his father took an unexpected turn for the worse. He said Mr. Massey was not in pain and he was able to do some official work in bed.

The governor-general was expected to leave for the 5,000-mile "farewell" tour tomorrow. The tour was to have begun at Vancouver next Sunday.

Bomarc Sites On Agenda?

OTTAWA (CP)—Secrets of North American defence in its broad aspects will be discussed here today by Defence Minister Pearkes and United States Defence Secretary Neil McElroy.

★ ★ ★

Mr. McElroy, who will hold a brief press conference soon after his arrival, will be accompanied by assistant secretary Thomas S. Gates who recently succeeded the late Donald Quarles.

KEY OFFICIAL

Canadian officials are anxious to get acquainted with Mr. Gates because he's the man chiefly responsible in the U. S. defence department for defence production-sharing arrangements with Canada.

Mr. Pearkes Monday discounted Washington reports that he would discuss with Mr. McElroy relocation of American Bomarc anti-aircraft missile bases in Canada.

NOT CONTEMPLATED

He told reporters that he has received no information that the U. S. is considering such a change or that Mr. McElroy wants to discuss it. In any event, relocation of Bomarc sites would mean a major reorganization of North American defence plans and relocation of the entire Pine-tree radar control system in southern Canada.

WITHIN U.S.

Mr. McElroy said in Washington last week he would discuss with Mr. Pearkes development of Bomarc bases. But he was referring to deployment within the U.S. occasioned by Congress' reduction in Bomarc expenditures.

In a reaffirmation of a long-standing Canadian policy, Mr. Pearkes said Canada would not have any American defence installations in Canada of purely U.S. concern.

500 Killed By Floods

TAIPEI, Formosa (UPI)—The waters of the worst floods in Formosa's recorded history receded yesterday, leaving at least 500 dead, 563 injured, and 541 missing.

An estimated 135,000 persons were left homeless by the raging waters brought on by torrential rains associated with typhoon Ellen.

Klan Invades South America

STOCKHOLM (AP)—The Ku Klux Klan is shipping anti-Semitic material from the U.S. to Brazil, Argentina and Chile, a spokesman for the World Jewish Congress said Monday.

But he claimed the KKK's role in distributing anti-Jewish literature around the world is a minor one.

Jury Probing Fiery Blast

ROSEBURG, Ore. (AP)—A grand jury will open an investigation this week into Friday's disastrous blast which claimed 12 lives and did an estimated $10,000,000 damage here.

District Attorney Avery Thompson said the prime question before the grand jury will be whether any law was violated by the explosive-laden truck being parked downtown.

Billion Asked For New Dams

WASHINGTON (AP)—The U.S. board of engineers for rivers and harbors Monday recommended spending more than $1,000,000,000 for construction of dams and other water resources development in the Pacific Northwest.

IWA Seeks Aid

Feed Strikers Stores Asked

An IWA spokesman said here yesterday a union welfare committee is canvassing Victoria merchants for donations of "basic foodstuffs" for strikers and their families.

Jack McKenzie, business agent for IWA Local 1-118, said there has been no acute hardship among the families of some 1,500 Greater Victoria IWA strikers so far.

Canvassing of wholesalers and retailers began at the weekend.

He said response to the union's plea to help struck woodworkers has been "fairly good so far."

Some merchants had already volunteered donations to the IWA welfare committee before the canvass got underway, Mr. McKenzie said.

One of the first gifts to the committee consisted of 250 salmon donated by the United Fishermen and Allied Workers' Union.

He denied a report that the union has asked merchants for cash donations, but added that any offers of financial assistance would be gratefully accepted.

Food gathered by the committee so far includes potatoes and sugar.

"What we are after are the necessities," the union leader said.

Asked if strikers would lose appliances and automobiles whose purchase had been financed over an extended period, he said, "the companies have been extremely co-operative."

He singled out the B.C. Electric as another which had been "co-operative" over the matter of past-due bills.

The big utility company has not pressed strikers for overdue accounts, he added.

Articles donated to the strike welfare committee here will be distributed among local families "on the basis of need."

The IWA strike of some 27,000 coast woodworkers is in its sixth week. Most of the strikers got their last pay cheque July 2.

Target

A gunman who tried to assassinate Cuban army commander Raul Castro at a church wedding in Havana was seized before he could pull the trigger. Attempted assassination of Premier Fidel Castro's 28-year-old brother climaxed a weekend of violence. (See story on Page 3.)

$100,000,000

Research Program Scrapped

WASHINGTON (AP)—The United States air force Monday cancelled a $100,000,000 program for the development of chemical fuel for use in bombers and fighter-interceptors of the classes whose speeds exceeds 2,000 miles an hour.

The cancellation immediately raised speculation over the future of the multi-billion-dollar program for the B-70 chemical fuelled bomber known as the Valkyrie and the F-108 fighter interceptor designated the Rapier.

The cancellation will knock out operation of a new $45,000,000 chemical plant built by the Olin Mathieson Corporation at Model City, N.Y., near Buffalo.

The air force officially notified Congress that the prime contract with the General Electric Company for the J93-5 engine had been cancelled. The engine was to be used in both the B-70 and F-108.

In Doukhobor Area

Arsonists Light 14 Forest Fires

TRAIL (CP)—Fourteen forest fires that broke out in the Castlegar-Slocan-Taghum area of southern interior B.C. Sunday were set by arsonists, the RCMP said yesterday.

Eight of the fires occurred in what generally is regarded as Sons of Freedom Doukhobor territory, five of them within two hours.

RCMP said there are some clues to the identity of the arsonists but they are insufficient to warrant arrests.

Forestry department crews, working under favorable weather conditions, were reported slowly bringing the fires under control.

Cpl. Ron Davidson of the RCMP detachment at Crescent Valley said each of the fires started after an explosion.

He said there is evidence to show that bottles filled with gasoline or some other volatile substance were exploded in the bush by electric or fuse detonator controlled by a timing device.

In Theatre

Drama Comes To Life

VANCOUVER (CP)—Movie patrons favored a rollicking real-life adventure in the seats and aisles around them over a fast-moving western here as police moved into an east-end theatre to arrest two men, suspected of possessing narcotics.

Police chased the suspects through the aisles and over seats of the balcony.

The chase started when seven RCMP and city drug squad officers made a routine check during the screening of a midnight movie early Monday.

When they attempted to interview a woman and two men in the balcony lobby, the men fled into the theatre.

Peronists Protest 'Brutality'

BUENOS AIRES, Argentina (AP)—A nation-wide protest strike of 62 unions dominated by supporters of Juan Peron started Monday against alleged police brutality in quelling a riot by striking sugar workers last week.
